The Georgia Tech Cable Network

www.gtcn.gatech.edu
down and Crittenton sat most of the second half, but Mario West came in and did a good job. So we had confidence that even though Javaris had two fouls, we could still play well,” Hewitt said.

The offensive turnaround has sparked the team and allowed Crittenton to lead Tech to its third straight victory.

“The offensive turnaround has sparked the team and allowed Crittenton to lead Tech to its third straight victory. ”

“After the four game losing streak, we all came together and talked and we knew what we had to do. I think everybody just stepped it up,” Crittenton said.

The Jackets played well in areas where the team has struggled this season. The team shot well from the free throw line, making 17 shots on 18 attempts. Throughout the season, Tech has failed to win when it did not score more than 70 points. The game marked the first time Tech accomplished the feat.

“We’re a good defensive team. The two bad stretches of basketball we’ve had this season were because we didn’t guard. When we defend, we’ve played with the some of the best teams in the country. We’ve got to make sure we’re consistent with all our defensive fundamentals,” Hewitt said.

The Huskies scored poorly throughout the game and finished with a 30.9 shooting percentage. The team finished just 12 of 21 on free throw shots. The Jackets also out-rebounded the Huskies, grabbing 29 rebounds to UConn’s 21.

“If you match both interior defenses, it would probably be a wash. But what they did was lock us up and ball pressure,” said UConn head coach, Jim Calhoun.

The 52 points scored by the Huskies mark its lowest point total of the season.

Going into the game, UConn had averaged 73 points. The Huskies have lost nine of its last 13 games after winning its first 11 games.

“It was a hard-fought game, a defensive struggle. We made some mental mistakes in our pressure and they capitalized. But we didn’t think we could score consistently in a half-court setting. I thought the run in the second half that they did was more about our defense, our rebounding and getting in transition to get some easy baskets,” Hewitt said.

With identical 15-8 records and 4-6 conference records entering the game, both teams faced a must-win situation in order to keep their NCAA Tournament hopes alive. The Jackets hope to further improve their position to make it to the final 65 with the win on a nationally televised game. Tech now faces only conference opponents for the rest of the season. The team finished with a 12-2 non-conference record for the season, losing only to then #5 UCLA and Vanderbilt.

Both were played away from Alexander Memorial Coliseum. The Jackets can now only hope to return to play at the Georgia Dome come early April for another National Championship shot. Tech next faces Duke at Durham on Sunday. The Blue Devils were on a four-game losing streak before beating Boston College on Wednesday night, 78-70.

Jackets knock off Wolfpack

The Wolfpack got off to an early 3-0 lead on a three by Shayla Fields. Tech wasn’t able to respond until Chioma Nnanna was able to sink a jumper to score the Jackets’ first points three minutes into the contest.

Going into the game, the Jackets were focused on not allowing Goring to win the game single-handedly for N.C. State.

“We tried to take away their inside game… We had our full five fronting (Goring)’s face trying to not let her catch or see the ball,” Higgs said.

Bridge Oilardossi was the key to this success, as she was able to bang with Goring inside and didn’t allow her easy post positioning.

The team’s focus and Ardossi’s stout defence paid off. Goring scored only 4 points in the first half, and Tech led 31-24 at the break.

The second half started well for the Jackets as Higgs’ hot shooting helped the team build a 17-point lead with 14 minutes to go.

At the midway point of the second half, Ardossi picked up her third foul and was taken out of the game. With Tech’s toughest interior player out, Goring was able to control the paint without the ability of another Tech player to battle inside with her.

Head Coach MaChelle Joseph threw everything the team had, but Goring led State on an 11-0 run, cutting the lead to two with 2:30 left.

The Jackets switched to a zone defense to try to stop the bleeding. “We wanted to force them to make some shots outside. They were getting a lot of shots in the paint and we wanted to keep our defense more compact in the paint,” Higgs said.

Coach Joseph’s plan worked and the team brought the lead back up to seven and never let it go.

The team’s next home game will be on Monday against Clemson at 7 p.m.

Softball sweeps Eagles, loses to Troy

Tech opened up the season by sweeping Georgia Southern. In the first game, the Jackets beat the Eagles 7-2.

After trailing 2-0 heading into the bottom of the fifth inning, the bats came alive and the Jackets scored six runs in the frame.

The Eagles did not help their cause as they committed four errors in the game that led to the Jackets scoring two unearned runs.

Sarah Wood picked up her first win pitching six solid innings while allowing two unearned runs.

In the second game, the Jackets shut out the Eagles 8-0. Tech scored 3 unearned runs on four additional Georgia Southern errors. Whitney Humphrey pitched five shutout innings to win her first game of the season.

Shortstop Aileen Morales went 1-for-2 from the plate and scored two runs for the Jackets.

The Jackets picked up their first loss of the season as the Troy Trojans upset the Jackets 4-2 on Wednesday.

Tiffany Johnson pitched six scoreless innings, but she surrendered all four runs in the seventh inning to pick up the loss.

The Jackets will be playing this weekend at the Kennesaw State Softball Invitational before returning home on Tuesday to face Gardner-Webb in a double header.
After struggling through most of the first three games of the season and blowing the save in the eighth inning against Kennesaw State, Matt Wieters hit a walk off home run in the bottom of the 10th inning.

By William Bretherton
Senior Staff Writer

On Tuesday, Tech’s attempt to win their first game of the season was delayed due to rain as they were attempting to get their home opener under way against the Kennesaw State Owls.

When the game finally began, the Jackets survived 11-8 against the Owls in a 10 inning affair that required Tech to make a comeback. Early in Tuesday’s game, Tech starter Chris Hicks was knocked out before the end of the first inning by giving up five runs and six hits in just two-thirds of an inning pitched.

Tech responded in the next two innings with four runs to close the gap to 5-4.

However, the Owls responded with two more of their own in the fifth to put themselves back up 7-4.

In the bottom of the seventh, the Eagles were able to distance themselves enough from the Jackets so that Wally Crancer’s solo home run in the eighth and Danny Payne’s two run home run in the ninth were not enough to rally the Jackets from behind in a 9-6 loss.

Tech’s preseason All-American Matt Wieters struggled to get hits and went hitless in nine attempts. “I know that I didn’t get any hits this weekend, but I hit a few balls hard and saw [the ball] pretty well so I’m not worried,” said catcher Matt Wieters.

While Wieters was unable to get it going, Jackets centerfielder Danny Payne shined against the Eagles. In ten plate appearances, Payne went four-for-six at the plate with a home run, four RBI’s, and one stolen base. For the series, Payne had an Onbase Plus Slugging of 2.133.

Payne also pitched one inning in relief on Sunday and retired the side with only eight pitches.

Payne’s biggest play of the weekend came on defense when he snagged a home run away from the Eagles late in Sunday’s losing effort. “That’s just the way you play the game. Everyone dreams of bringing back a home run at one point,” centerfielder Danny Payne said.

With the win, Georgia Southern earned its first series sweep of Tech since 1996. Coincidentally, 1996 was the last time Georgia Southern beat the Jackets in Statesboro.
LES BALLETSTROCKADERO DE MONTE CARLO
Thursday, Feb. 22, 8 p.m.
*Long live this company, inre as ugly as
blond the joy of ballet and the fine
art of silliness.* - (San Francisco Times)
Dancing the fine line between high art and high camp, the all-male comic ballet company delights audiences with parodies of classical works from Swan Lake to Giselle. The “Trucks” offer buoyant and hilarious performances for young and old, whether dance aficionados or complete novices, by combining a loving knowledge of dance with a wicked comedic sensibility.

The women’s basketball team kept their hopes alive of becoming the first team to finish above .500 in conference play after beating N.C. State 69-62. The women’s basketball team kept their hopes alive of becoming the first team to finish above .500 in conference play after beating N.C. State 69-62.

They managed to hit only nine out of 38 field goal attempts in the first half.

On the other side, Shante Williams scored 11 points in the second half, mostly from the line. She took advantage of her ability to beat her defender off the dribble, and forced Higgs to foul out.

With Higgs out and the field goal shooting at a season low, the Jackets were never able to recover and trailed by as much as 17 before the final horn sounded.

The woman’s basketball team is now 6-5 in the ACC and will finish conference play against three teams that have sub .500 conference records.

The jackets will play against the Clemson Tigers at Alexander Memorial Coliseum on Saturday as 7 p.m.

Basketball beats UConn at Dome

By Hahnming Lee
Assistant Sports Editor

Tech defeated UConn in a game played at the Georgia Dome, 65-52.

In a rematch of the two teams that met in the 2004 National Championship game, the two played to a different outcome this time, with Tech taking the decisive victory.

“Slowly but surely, I think we’re maturing. We’re really growing up. Our perimeter again was very strong, and the bench also helped us,” said basketball Head Coach Paul Hewitt.

Tech led for most of the game, stretching its lead to double digits before ending the first half with the score at 33-25.

The Jackets extended their lead after Thaddeus Young scored on a three point shot that went in at the buzzer.

Tech never trailed for the rest of the game and led by as much as 20 points late into the second half and UConn never came as close as 10 points the rest of the game.

Thaddeus Young scored 14 points to lead the Jackets. Javaris Crittenton, Anthony Morrow, and Mario West all reached double figures.

Morrow anchored Tech’s offense for much of the first half, scoring 10 points during a 13-2 run.

The junior guard bounced back after failing to score during the NC State game.

During the game, Tech had 18 points off the bench. D’Andre Bell, the sophomore forward, has scored 13 points in his last two games after scoring 15 in the first two games.

“Our freshmen and sophomores in particular have really stepped up. Alade Aminu didn’t score today but he made some important contributions. And of course the freshmen are playing very well,” Hewitt said.

Crittenton continued his offensive resurgence after being limited during the Jackets’ four game losing streak.

The star freshman point guard struggled early on in the game, accumulating two fouls, two turnovers in just nine minutes into the game.

He picked it up in the second half, scoring nine straight points to extend Tech’s lead.

“In the Memphis game, we were

Three years after the Jackets lost in the National Championship game, they exacted revenge by defeating the Huskies 65-52.

Basketball ends road losing streak

By Hahmning Lee
Assistant Sports Editor

Tech ended its long road-losing streak with a victory over Florida State last Tuesday, 63-57. While Tech went ahead three times during the first half, they entered the locker room trailing 35-30. The Jackets opened the second half with a 20-7 run that gave Tech a lead it would never give up.

Javaris Crittenton scored a career-high 29 points and led all scorers in the game. Tech freshman scored 11 points during a crucial 13-2 run in the second half that gave Tech the lead for good.

Crittenton's performances during the four-game winning streak sharply contrasted his play during the four-game skid that preceded it. He scored only 32 points, making only 11 shots on 46 attempts during the losing streak. In the last four games, Crittenton scored 89 points on 53 percent shooting and set career highs in points on two different nights.

“I was trying to execute the offense too perfectly [before]. I just came out and played my game.”

Javaris Crittenton Freshman - Guard

State’s Isaiah Swann also scored a career high with 25 points. All-Tournament, the Seminoles’ leading scorer on the season, was the only other player from Florida State to get into double figures.

As a team, Tech has shown its commitment to defense in the past four games, tech’s defensive horrors were too much for the team to overcome as they lost their second straight game on the road 65-52.

Tech was led by Jacqua Williams. Williams scored 15 points and had six steals for the Jackets. As a team, the Jackets were able to snatch 18 of- fensive rebounds, but that number was inflated due to the number of turnovers.

Tech ended its road-losing streak with a victory over Florida State last Tuesday, 63-57.

Jackets struggle against Seminoles

By Jason Boral
Contributing Writer

In Friday’s game, the calendar read Feb. 9th, but it might as well have been Friday the 13th. Tech and Florida State turned in a horrific, even sometimes terrifying, perfor-

mance. The two teams combined for more than 50 turnovers and Tech shot just 26 percent from the field. Tech’s offensive horrors were too much for the team to overcome as they lost their second straight game on the road 65-52.

Even though the game was characterized by turnovers and extensive scoring runs, the Jackets can look to their inactivity of turning their scoring runs, the Jackets can look to their ineffec-

tiveness of turning their scoring runs, the Jackets can look to their ineffec-
tiveness of turning their scoring runs, the Jackets can look to their ineffec-

Baseball swept by Georgia Southern

By William Bretheron
Senior Staff Writer

The No. 14 Jackets started their 2007 campaign this past weekend in Statesboro on a sour note as they were swept two games in a row by the Georgia Southern Eagles 11-4 on Saturday and 9-6 on Sunday.

Saturday, the Jackets started out behind the eight ball as the Eagles scored six runs in the first three innings.

Unlike the game this past Tuesday, the Jackets were unable to pick themselves up off the mat.

Starter David Duncan was the recipient of most of the damage as he allowed six runs, seven hits and two walks in five innings pitched.

In three innings of relief, the combination of Jared Hyatt, Michael Hurts, and Eddie Burns did not improve Tech’s situation late in the game as they gave up a combined five runs on seven hits in three innings.

Last Sunday, Tech started out in the lead picking up two runs in the first two innings with solid pitching from starter Ryan Turner.

The tide turned quickly in the fourth inning as Turner allowed two runs which tied the game. Both runners were unearned as the defense made er-

ers in key spots to allow the Eagles to plate the game-

tying runs.

Turner finished with the loss, allowing five runs on ten hits in the first two innings.

For the Jackets, the tide turned quickly in the fourth inning as Turner allowed two runs which tied the game. Both runners were unearned as the defense made er-

ers in key spots to allow the Eagles to plate the game-

tying runs.

Turner finished with the loss, allowing five runs on ten hits in the first two innings.

In the first, Georgia Southern put up a four spot to put themselves up 6-2.

With a three-run inning in the fourth 4 and 2/3 innings.

In the fifth, Georgia Southern put up a four spot to put themselves up 6-2.
