Rushing Rules

GEORGIA TECH PAN-HELLENIC COUNCIL

SECTION I, ARTICLE 1—
No man attending a high school in Atlanta or vicinity (vicinity being construed to mean any point that may be reached from Atlanta by car line) shall be rushed or pledged by any fraternity at Georgia Tech until the last term of his senior year at said high school.

ARTICLE 2—
In the case where a man, ineligible for pledging under Article 1 of this section, is pledged to a chapter of a fraternity at another college and later decides to come to Tech, his pledge is automatically declared broken by the Pan-Hellenic Council at Tech, and he shall not be eligible for membership in any fraternity for his first year at Tech. In such case it is understood that any fraternity may have the privilege of rushing the man during his first year.

SECTION II, ARTICLE 1—
No fraternity shall approach a pledge of another fraternity with the idea of breaking his pledge or talking fraternity matters to him.

ARTICLE 2—
If a student is pledged to a fraternity and breaks his pledge, of his own free will and accord and without the coercion of another fraternity, he may be pledged by any other fraternity after the report of said action has been made to the council.

SECTION III, ARTICLE 1—
The penalties for breach in the above rules shall be the expulsion of the guilty chapter from the council.

ARTICLE 2—
It should be understood by the different chapters that the Pan-Hellenic Council is for the advancement of all fraternities and that the best results can only be obtained by co-operation. The spirit as well as the legal meaning of these rules should be supported by all respective fraternities.
