F, in the future, you can take this sixteenth Blue Print of campus history, and scanning its pages in a reminiscent mood, with a broadened vision fostered by added years, live a half hour with your old classmates listening to the voice of your Alma Mater calling you to battle for the high ideals for which she stands, we will feel that thousands of hours spent in compiling this history could not have been better utilized.

Our Alma Mater

Oh sons of Tech, arise, behold!
The banner as it reigns supreme,
For from on high the White and Gold
Waves in its triumphant gleam;
The spirit of the cheering throng
Resounds with joy revealing
A brotherhood in praise and song
In the memory of the days gone by.
Oh scion of the Southland
In our hearts you shall forever fly!

We cherish thoughts so dear for thee
Oh Alma Mater, in our prayer,
We plead for you in victory
And then in victory we share.
But when the battle seems in vain
Our spirit never falters,
We’re ever one in joy or pain
And our union is a lasting bond.
Oh may we be united
Till the victory of life is won.
