DEDICATION

To Dr. W. V. Skiles
Dean

Who for the last twenty-one years has so faithfully and efficiently served Georgia Tech and who during this time has been looked upon by the students as a friend who saw two points of view and worked from them toward the best interests of our college, this twentieth volume of the Blue Print is dedicated.

William Vernon Skiles, B.S., A.M.
Dean of the School
FOREWORD

Hopeful of pleasing lovers of beautiful things, the Board of Editors submits this volume as the fruit of their best efforts to record in attractive form the events of 1926-27, so that it may be a joy to refer back to them and stimulate the sleepy memory.
