Programs

- Auxiliary Services awarded 12 Impact Scholarships for the 2007-08 school year, 10 to students making a positive “Impact” on the Georgia Tech community and two to single parents balancing school work and parenting—page 2.
- Housing’s Emerging Leaders program celebrated its fifth birthday with 51 new freshmen. The program’s annual involvement survey showed 45% of respondents holding positions as president, vice president, secretary, treasurer, with several holding more than one leadership position and 56% as committee chairs —page 2.
- GT Dining created interest for students, faculty, staff with three new programs, the First Annual Georgia Tech Culinary Competition, Ferst Place Valentine’s Lunch, and Quick Zone @ West Side Market—page 3.
- The Student Center Programs Council brought 21,263 students to 28 events—page 3.

Services

- Health Services provided 42,611 procedures for students—page 4.
- Auxiliary Services received five Georgia Tech Best Practices awards, two Best of the Best, one Runner Up and two Certificates of Excellence—page 5.

Facilities

- The Student Center continued its renovation, adding announcement plasma and data projector screens and an Information Desk—page 5.
- The Board of Regents approved the transfer of the four apartment buildings at North Avenue and Centennial Olympic Park Drive to Georgia Tech, effective July 1, 2007 —page 5.

Graduate Student Symposium Award. Rosalind R. Meyers, associate vice president, Auxiliary Services, presented Ulas Tezel (left) with the Impact Award at the Graduate Student Symposium, Friday, March 9. Tezel received $1,000 from Auxiliary Services BuzzFunds for his poster presentation, "Quaternary Ammonium Compounds: Fate, antibiotic resistance and toxicity in anoxic/anaerobic systems." Mitch Keller, president, Graduate Student Government Association, is on right.
**Programs**

**Scholarships and Leadership**

**IMPACT SCHOLARSHIPS**
- Auxiliary Services BuzzFunds awarded 12 Impact Scholarships to 10 students making a positive “Impact” on the Georgia Tech community and two scholarships to single parent students balancing parenting and educational requirements while attending Georgia Tech.
- Students completed on-line processes including writing two essays, providing three letters of recommendation from professors, administrators and peers and maintaining grade point averages of at least 2.5 (positive impact) and 2.0 (single parents).
- The two single parent scholars receive $3,200 and the 10 positive “Impact” scholars $3,000 ($1,500 each for two semesters).

**EMERGING LEADERS PROGRAM**
- In its fifth year, Housing’s Emerging Leaders accepted into its 2006-07 program 51 freshmen from 78 applications.
- The program held monthly leadership events during all nine fall and spring semester months, including the annual weekend leadership building retreat in September and weekly seminars on topics such as self-awareness, public speaking and communication.
- The program conducted its annual involvement survey of past and present participants, receiving 51 responses (49% first-year students, 20% second year, 15% third year, 10% fourth year, 4% fifth year and 2% alumni). Almost half (45%) reported holding leadership positions as president, vice president, secretary, treasurer, with several holding more than one position, and 56% as committee chairs.

**IMPACT SCHOLARS** received certificates and recognition at the annual Student Honors Luncheon, Tuesday, April 17. Pictured (l-r) are Piedad Estrada, senior, Biomedical Engineering; Matthew Drake, junior, Computational Media; Rosalind R. Meyers, associate vice president, Auxiliary Services; Keegan Dun, senior, Chemical & Biomolecular Engineering; Roxanne Greeson, junior, Industrial Engineering; Diane Dutcher, junior, Applied Psychology; Brittany Copeland, senior, Industrial Design; Alexander Wang, junior, Chemistry; Roland Alberciak, senior, Computer Science; Diane Dutcher, junior, Applied Psychology; and Apurva Doshi, graduate assistant. Apurva is a graduate student in the Quantitative and Computational Finance masters program. He completed his undergraduate degree in Industrial and Systems Engineering at Georgia Tech. As an undergraduate, Apurva was an Emerging Leader during the program’s first year in 2002, and stayed on to help as an advisor for the following three years. In addition to Emerging Leaders, Apurva has been active in Tau Beta Pi, India Club, the Co-op Program, and study abroad.

**EMERGING LEADERS’ ADMINISTRATORS** are pictured (l-r), Kristina Clement, coordinator, Emerging Leaders, and area manager for Housing Residence Life, and Apurva Doshi, graduate assistant. Apurva is a graduate student in the Quantitative and Computational Finance masters program. He completed his undergraduate degree in Industrial and Systems Engineering at Georgia Tech. As an undergraduate, Apurva was an Emerging Leader during the program’s first year in 2002, and stayed on to help as an advisor for the following three years. In addition to Emerging Leaders, Apurva has been active in Tau Beta Pi, India Club, the Co-op Program, and study abroad.
**BuzzFunds**

Auxiliary Services awarded BuzzFunds in support of the following student groups and campus departments during Jan., Feb. and March 2007.

- African American Student Union Black Leadership Conference, Onyx Ball and Legend’s Ball
- Chinese Student Assn. Asian Cultures Week
- Caribbean Student Org. International Showcase
- Graduate Student Research Symposium
- Impact Scholarships
- Student Center Def Poetry
- Student Center Programs Council Speaker Series—Jodie Sweetin
- Take a Prof to Lunch (spring semester)
- Tech Beautification Day

**GT Dining**

- GT Dining added programs to its locations, increasing interest among students, faculty and staff. Three of its new programs included:
  - The First Annual Georgia Tech Culinary Competition, Saturday, Jan. 27
  - First Place Valentine’s Lunch, Wednesday, Feb. 14
  - Quick Zone @ West Side Market, Monday, Jan. 29, new, hot convenience items

**Student Center**

- The Student Center Programs Council brought 21,263 students to 28 events during January, February and March.
- Some of the popular events included a sold-out Lewis Black comedian show (1,198), Tuesday, March 27, Jodie Sweetin’s presentation on her life as a popular sitcom star to drug addiction and recovery (602), Tuesday, Feb. 29 and movies all three months from Little Miss Sunshine to Superman Returns (18,190).

**GT Dining** collaborated with its GT Dining Student Advisory Board to host its first ever Culinary Competition between three of its chefs on a Saturday afternoon in January. The local American Culinary Federation Executive Chef judged the competition as Georgia Tech students cheered on their favorite chef.

In the news . . .

- Association of College Unions International Annual Conference, Atlanta, A Common Bond, March 25-28, Sally Hammock, associate director, Programs, Student Center, conference co-chair.
- ACUI Annual Conference Presentations:
  - Prescription for a Healthy Bookstore, Rosalind R. Meyers, associate vice president, Auxiliary Services

GEORGIA TECH HAIR CUTTERY. For the second consecutive year, the GT Hair Cuttery won the “Extraordinary Results Award.” Each Hair Cuttery conducts two customer satisfaction surveys annually. When the results were tallied for the Oct. 2005-06 year, Georgia Tech’s salon captured the highest award, ahead of 60 other Atlanta salons. To be considered for this award, the salon must meet specific criteria, including (1) highest in customer satisfaction (based on surveys), (2) highest in gross profit sales, and (3) leadership. The Georgia Tech Hair Cuttery employees all won trips to Cancun, Mexico with other national winners.
Facilities

Reinvestments

- Student Center renovation continued, adding new plasma television and data projector information screens, Information Desk, vending spaces and entrance canopies to Food Court and other areas.
- On March 7, the Board of Regents announced the transfer of the North Avenue Apartment complex with its approximately 2,000 beds and 783 parking spaces to Georgia Tech.

- Parking & Transportation opened a new visitors’ parking lot, Area 6, across from Barnes & Noble @ Georgia Tech.

Technology Square.
- The Technology Square Parking Deck was updated, including automated credit card and cash pay-in-lane equipment to Spring St. & 4th St. exits.
- Partnering with BuzzCard, Parking & Transportation sold season parking access cards to the Klaus Deck for all home baseball games.

Barnes & Noble @ GT

North Avenue Apartments. Housing began accepting student fall assignment requests to the North Avenue Apartments in March.
