As the business world becomes increasingly global, understanding how global issues affect all organizations is essential. Through an intensive combination of classroom instruction, projects and international residencies, the Global Executive MBA program fine-tunes the skills and knowledge of business leaders who want to advance their careers in international business and/or better understand the opportunities and challenges of managing in a global business environment.

Experience the Culture. The Class of 2009 will visit Brazil and China. Residency locations are subject to change based on economic, political, and social issues at the time of the visit.

MINIMAL TIME AWAY FROM WORK

The Global Executive MBA program is designed to allow professionals to gain an MBA in Global Business in 17 months without interrupting their careers. The program includes two weeklong residencies on campus at Georgia Tech, and two international residencies. The remainder of the classes are held every other weekend on **Friday evenings (5:30 PM – 9:30 PM) and Saturdays (8 AM – 5 PM)**.
