The Interfraternity Council, which is composed of two representatives from each national fraternity on the Georgia Tech campus, holds jurisdiction, in conjunction with the Dean of Men, over the local activities of the various chapters. The Council imposes the general house rules, rushing rules, and pledge and membership regulations for all fraternities. The Council sponsors a dance each semester for which the most popular dance bands in the country are secured. The orchestras of Tony Pastor, Bob Allen, and Jerry Wald have been the most recent ones to play. These dances are the highlight of the social season and have continued in spite of the war.

This is somewhat our impression of what collegiate fraternity life is. In this small space no one could adequately describe these moments of fraternity life. These pictures can only serve to remind you of your fraternity days. The trip back to school from that lengthy vacation of six days. Your freshman education, the interfraternity
softball games for the trophy or the beer
party with the frat down the street. Work
periods, and repairing the house. Quiz
weeks, and cramming for the tests. The
weekly fraternity meetings, and the friendly
games afterwards. The times you had to
clean the upperclassman's car, or chase after
his laundry. The week-end functions—
house dances, and parties, and the fraternity formal. The Sunday morning
after, reading the funnies, or seeing how we did in that game up at Annapolis.
Sitting a dance out with your favorite girl, and rush week with all of its hulla-
baloos. These serve but to point the way to our remembrances of our fraternity
life at Tech.
Alpha Tau Omega was the first Greek letter college fraternity organized after the Civil War. It was founded at Richmond, Virginia, September 11, 1865; and its first chapter was established at the Virginia Military Institute at Lexington, Virginia. It was the first fraternity at Georgia Tech, having been granted a charter before the school opened, on September 18, 1888. Alpha Tau Omega was the first fraternity to incorporate and to establish a placement service.

The Beta Iota chapter sold their old house on North Avenue pending the building of a new house after the war, and is now temporarily located at 694 Cherry Street, in the heart of the campus. Alpha Tau Omega has always had its full share of leaders on the campus.

Beta Theta Pi was founded at Miami University in 1839, and enjoys the distinction of being the oldest social fraternity in continuous existence in the United States. The national fraternity at the present time has ninety chapters in the leading colleges and universities over the country. Since its beginning Beta has initiated over forty thousand men, many of whom have risen to fame in varied fields.

The Gamma Eta Chapter of Beta Theta Pi, an outgrowth of the local club Alpha Phi, was founded at Tech in 1917.

In 1943, the Beta House on Fowler Drive was leased to the school for the duration of the war. It is now being used by the school as a freshman dormitory.

During the past two years, the elaborate social functions such as the Beta Kid Party and the Beta spring formal have been considerably streamlined so as to fit in better with our war effort.

Chi Phi, the oldest national college fraternity, was founded at Princeton University, December 24, 1824. The Omega chapter was established at Georgia Tech in 1904, being the first fraternity on the campus to own its own house.

Now located in a temporary house, Chi Phi continues to be one of the most active fraternities on the campus. During the past season the Chi Phi's had several house-parties at Lake Burton, a Christmas formal, and many other functions.

Now located in a temporary house, Chi Phi continues to be one of the most active fraternities on the campus. During the past season the Chi Phi's had several house-parties at Lake Burton, a Christmas formal, and many other functions.
The Alpha Gamma chapter of the Delta Sigma Phi Fraternity was founded on the Tech campus in 1920. First known as the "Soldier's Club," because it was formed by Tech men returning from World War I, it soon petitioned and became a chapter of the nationally known fraternity. Now, in the midst of World War II, the chapter is suffering its darkest days, but hopes to stay active.

Although many of our biggest functions, including the Shipwreck Ball, have been ended for the duration, Delta Sigma Phi plans to continue with bigger and better activities after the victory is won.

With men returning from the war, the Delta Sigs hope to figure greatly in Tech's postwar plans.
Delta Tau Delta was founded at Bethany College in 1859 and now has seventy-six chapters with a total membership of over thirty-five thousand. In February, 1920, Pi Phi Delta, a local fraternity, was granted a charter as Gamma Psi of Delta Tau Delta and has since grown to be one of the strongest chapters in the fraternity. The annual Artists' Ball is its notable contribution to Tech social affairs.

Delta Tau Delta always produces outstanding leaders in campus activities. Her honor has been upheld this year by C. A. "Benny" Roush and E. D. Rucker, members of Tau Beta Pi, the Co-op Club, The Briaerean Society, A. I. Ch. E., and K. M. "Cozy" Cole, president of Alpha Chi Sigma and member of The Briaerean Society and A. I. Ch. E. Roush was also Editor-in-Chief of the Nautilus and member of the M. L. Brittain Debating Society and Alpha Chi Sigma and on the staff of the Yellow Jacket and the Engineer.

Sixth row: Simkins, Simpson, Smith, Thompson, Trimmer, Usher, Van Buren
The Kappa Alpha Order, founded in 1865 at Washington and Lee, established Alpha Sigma Chapter at Georgia Tech in October, 1899. It is a Southern fraternity and has 67 chapters, all below the Mason-Dixon line. With over 38,000 alumni, Kappa Alpha is one of the seven largest fraternities in the country. Alpha Sigma Chapter at Tech has always been most active in campus activities. During the past year, K. A.'s have participated in almost every campus activity, including Anak, O. D. K., and class officers.

First row, left to right: Aderhold gets down to some calculus with admiring harem looking on.

"All-American" Don Evans shows what Coach Allex missed. Editor Kelso with his technique convert on Third row: A little noon-time football.

KA's civilians in uniform swap army gray and navy blue.

In the last year Alpha Tau's activities have been greatly curtailed, but we have not been altogether idle. We have been having parties and dances at the house as often as possible, and are carrying on as well as possible considering that most of our boys are in the services. Fortunately Tech has a V-12 unit, and in the V-12 are Kappa Sigmas from all over the country. These boys from other chapters constitute the main body now. Among various chapters represented are: Lambda, U. of Tenn.; Kappa, Vanderbilt; Beta, U. of Alabama; Beta Eta, U. of Auburn; Delta Alpha, Carnegie Tech; Delta Delta, U. of Florida; Alpha Upsilon, Millsaps College; Delta Chi, Mississippi State; Epsilon Gamma, Louisiana Tech; Xi, U. of Arkansas; and Delta Upsilon, Occidental College.

Alpha Tau is also proud to point out the fact that it is represented in every branch of the service and in every theater of the war, and that eighty percent of them are officers. For them Alpha Tau is carrying on. It survived one world war and will survive this one.

The international fraternity of Lambda Chi Alpha was founded in 1909 at Boston University, and is now one of the largest social fraternities. The Beta Kappa chapter at Tech was established October 16, 1942, after achieving an enviable record during its thirteen-year affiliation with Beta Kappa.

Lambda Chi has contributed many of its members to the armed forces, but their foresight and efforts while in school have made it possible for the chapter to continue its activities on the campus. An active social committee aided by a lively pledge class has added variety to the numerous Saturday night parties at the chapter house.

In the last fifteen years the fraternity has won nine scholarship cups and placed second six times. Graduation takes from the chapter three seniors: Rock Canaday, chapter president, Co-op Club, Briaerean Society, Eta Kappa Nu, and the Technique; John Hammond, Co-op Club, Briaerean Society, Eta Kappa Nu, Phi Eta Sigma, Gold T, Tau Beta Pi, and Phi Kappa Phi; and Edmund Hankinson, Phi Eta Sigma, Alpha Phi Omega, Kappa Kappa Psi, Briaerean Society, Pi Tau Sigma, Gold T, Tau Beta Pi and Phi Kappa Phi.

Phi Delta Theta was founded at Miami University, Oxford, Ohio, on December 26, 1848. It has grown until it now comprises one hundred and six chapters in the United States, Canada, and Nova Scotia. The Georgia Tech chapter, Georgia Delta, was founded in 1902.

Today Phi Delta Theta, as have many other lodges, has lost many of its members to the armed forces. Phis are making a great name for themselves on all the war fronts. Those who are still here are carrying on in a typical Phi fashion... four members in Anak are Manning, Fitzgerald, Mertz, and Paxson. Captains of both the football and basketball teams, Manning and Paxson. President of the Senior Class, secretary-treasurer of the class of '44 as well as many other outstanding campus activities. Boosted out of its home on Fraternity Row, Phi Delta Theta has made its home for the duration in the old Phi Sigma Kappa house on Williams Street.

Phi Epsilon Pi was founded on November 24, 1904 at the College of the City of New York; and Xi Chapter here at Tech was established January 15, 1916. Always leading among activities Xi chapter has remained active throughout the existing national emergency. Though many of Xi's members have left school to take their places in the army and navy, the chapter has been able to maintain a successful and active existence upon the campus. During the last graduations Xi has lost George Sellers, chapter president, and Rudy Bunzl, editor of the BLUEPRINT, and one of the scholastic leaders of the campus, and Paul Lee, chapter president, Editor of BLUEPRINT, and president of A.I.Ch.E., Anak. Those many fraters lost to the services during the past several semesters and not having completed their scheduled curriculum plan to return to Tech in the post-war years, and maintain Xi chapter on the Tech campus.

The fraternity of Phi Gamma Delta was founded at Jefferson College in 1848. Although founded primarily as a Southern group, it became national in scope after the Civil War, and now numbers 74 chapters.

The Gamma Tau chapter was installed at Georgia Tech in 1926 when Gamma Tau Delta, a strong local, organized expressly for petitioning Phi Gamma Delta, was granted a charter.
Phi Kappa Sigma was founded at the University of Pennsylvania October 19, 1850. The Tech chapter, the first on the campus to own its own house, was installed January 16, 1904. Several of the chapters on other campuses have suspended operations for the duration, but the chapter here has very good prospects for remaining active.

Outstanding through the year were: Bob Williams, A. I. R. E., A. E. E., Yellow Jacket staff; Dan Pulley, A. I. Ch. E., Yellow Jacket staff; Stan Krysiak, Bulldog Club, N. R. O. T. C. Rifle Team, Cadet Lieutenant, Nautilus staff; Tom Edwards, Bulldog Club, Nautilus staff, Navy Wrestling Team. All of these men have served the chapter on the Interfraternity Council.

Pi Kappa Alpha was founded at the University of Virginia on March 1, 1868. For some time the fraternity was definitely Southern, but now has expanded all over the country. At present, the fraternity has eighty-two chapters, with a membership of eighty thousand. The Alpha Delta chapter was installed at Tech in February, 1904.

Every year the chapter holds its annual Possum Hunt, Christmas Party and Senior Party. The annual Black and White Ball has been discontinued for the duration.

Founded on December 10, 1904, Pi Kappa Phi was incorporated as a national fraternity in December, 1907. The Iota chapter was established in October, 1913. Even with serious losses to the armed forces, Iota has kept a large membership. Iota alumni are scattered over the whole globe keeping the tradition of Pi Kappa Phi.

Founded at the University of Alabama, March 9, 1856, SAE has expanded to one hundred and fourteen chapters with a membership of sixty thousand. This year we won the annual Cake Race for the third straight time, and are now permanent owners of the Golden Gaboon for winning the Ramblin' Wreck Contest three times. A number of outstanding seniors were taken out of school in February by the Navy. Among these are Locke Thomison, ANAK, ODK, and editor of both BLUE PRINT and Yellow Jacket, Gordon Colledge, Secretary of ANAK; Russell McGee, ODK; Buddy Sanders, President of the Student Council; and J. Y. Arnold, chapter president for the fall term. Outstanding seniors graduating are Henry Reid and Hugh Caldwell, chapter president, Vice-President of ANAK, and president of both Pi Tau Sigma and ASME. Leading social events of the year were the Christmas Formal and traditional Marietta Picnic.

Sigma Chi was founded June 28, 1855, at Miami University, Oxford, Ohio. Since its founding it has expanded to 101 active chapters in the United States and Canada. The Beta Psi chapter was installed at Tech in 1922 by the absorption of Pi Alpha Sigma, a local fraternity.

Over half of the Sigs are in the V-12 or N. R. O. T. C. units and the Battalion Commander of the latter group for two consecutive semesters has been a Sigma Chi. Fortunately chapter membership has continued at its prewar level, which has enabled Sigma Chi to retain its chapter house and to remain a leader in campus and social activities. At the formal Sweetheart Ball Miss Thelma Jo Kerr was elected Sweetheart of Sigma Chi.

Sigma Chi's on the Student Council are Scott Campbell and Lawrence Gellerstedt, representing the Junior class, and Frank Gurry, representing Harrison Dormitory. Gellerstedt is Vice-President of the Student Council, President of the Junior class, member ODK, Tau Beta Pi and Phi Eta Sigma.

Vice-President: L. I. Lanier
Secretary: W. S. Stewart
Treasurer: B. I. Brown
Founded at Virginia Military Institute in 1869, Sigma Nu was installed at Tech in 1896, the fourth national social fraternity to reach the campus.

The year 1944 marks Sigma Nu’s seventy-fifth year of activity. During these years it has grown from one to ninety-eight chapters in 46 states, representing a total membership of over forty thousand men.

Gamma Alpha Chapter at Tech presented a banquet and dance at the Piedmont Club in commemoration of its seventy-fifth anniversary. This was its outstanding function of the year, being attended by alumni and chapters from Emory and University of Georgia. Numerous other functions and socials were presented throughout the year.

The Sigma Phi Epsilon Fraternity was founded in November, 1901 at the University of Richmond. There twelve friends who joined together for the sole purpose of friendship, and with their farsightedness founded a fraternity that has now taken its place among the great organizations of the fraternity world. Since 1901 the fraternity has grown until at present there are seventy-five chapters spread throughout the nation with a total membership of over twenty-five thousand.

Georgia Alpha Chapter was founded at Tech in 1907, being the seventh fraternity to be established here.

The brains of the organization
Top: Always happy
Bottom: Looking at the birds on a sidewalk.
They're still happy—they haven't seen the check yet
Bongai gets it in all the pictures.

Phi Chapter of Tau Epsilon Phi has just completed its twenty-second year on the Tech campus and one of its most successful with respect to activities and pledges. Were these not war-time years, we would be assured of a bright future. However, an increasing number of fellows are leaving for various branches of the service. Among these are our three graduating seniors—Harvey Lee Cohen, Gordan Stine, and D. R. Levin. Harvey is bound for Fort Benning; Gordan, Parris Island, and D. R., destination unknown. To the three we wish the best of luck.

Those of us who remain at Tech will endeavor to continue with the same high standard—in the classroom, on the campus, and socially.

Alpha Nu Chapter of Theta Chi was established on the Tech campus in 1923. Its conservative policy toward membership and activities has produced gratifying results.

Through the present changing conditions, meals of the usual "Alpha Nu" calibre have been served at the chapter house. Social functions of the past year included a hay ride, Christmas party, house dances, house party, and host to the Rebel Rouser of Southern Theta Chi Chapters. The first place award in the Homecoming Decorations Contest of 1943 represents the latest addition to the chapter trophies.

Graduates of the past year include: Tony Navarro, Hugh Lewis, Charlie Butress with the class of October, 1943 and Jim Keith, Bill Johnson in June, 1944. A large contribution of members to all branches of the service marked the premature departure of many good brothers.

Backed by a sound financial system, Alpha Nu looks forward to weathering the wartime storm in excellent shape.

First row, left to right: Could Keith be that domestic? . . . Top: Christmas party with the entertained orphans . . . Bottom: Another house dance—many happy faces. The boys seem to be rather camera shy.
In war as in peace time the long awaited social event of the school year is the Interfraternity Council dances. On this and the following pages we present scenes from these entertainment events of Jerry Wald, Tony Pastor, Bob Allen, and the Coca-Cola sponsored Richard Himber dances.
Departing from previous practices, this edition attempts to focus its attention upon the dances in general rather than upon separate couples. We focused our camera on the podium and watched the bands and their featured players. We looked on and watched the ANAK tapings, and the Senior and
IFC lead outs. We also looked on and watched our fellow students and dates dancing and sitting one out. We also see some of the faculty enjoying our dances with us. Here we have a simple reminder for years to come of some of our prized collegiate social events.
