New Chapter of Tech Alumni Recently Organized in Atlanta

Bill Paradice, Jr.

Thursday night, April 24, will be remembered by many Tech men as the beginning of a new chapter in the history of Tech Alumni. It has been over thirty years since any kind of a general meeting and it was aptly timed.

Speeches were: Frier Gibler, Jr., President of the Georgia Tech National Alumni Association; Blake V. Van Lear, President of Georgia Tech; and Henry E. Greer, Atlanta Director. There were 125 Alumni present to form the nucleus of the club.

The Campus Broadcasting Station, WTVJ, will conduct a test broadcast from May 5 to May 9. Recorded music will be transmitted in Glenn, Towers, and Clavns, a.m., and from 7:00 p.m. to 9:00 p.m. Students in these dormitories are invited to listen.

Jacket Golfers
Visit Athens
For Tourney

By Allen Cohen
Athens Country Club golf course beckons Takesee of the Southern Intercollegiate and Southeastern Conference golf championship tournament this week-end. The tournament, which lasts three days, starts on Thursday when the teams will play 36 holes. It continues on Friday when the teams play 18 holes and ends on Saturday with the last 18 holes and the presentation of awards.

A medal will be given to the man with the lowest score. If the winner is from the Southeastern Conference he will receive two medals. However, if the low man isn’t in the SEC he will receive only one medal and the man with the lowest score in the Southeastern Conference will receive the other.

The team winner will be determined by the total of the lowest four men out of the team of six representing each school. The schools which are represented are North Texas State, last year’s Southern Intercollegiate winner, and Louisiana State University, North Carolina, Florida, Alabama, Georgia Tech, Georgia, Georgia, Duke, Miami, Vanderbilt, Kent State, A&M and Woiford College. Louisi­ana State is ranked tops, with Florida U. second and Georgia third. The Bulldogs are defending champions. Besides these men there are many others on the other teams and on the Yellow Jacket team who could bring home the bacon.

The only time the Yellow Jackets won the Southern Conference championship was in 1949 with a score of 302. Tommy Barnes of Tech won the Intercollegiate and Southeastern Conference golf championship was in 1938 and Albert Swann of Tech won the intercollegiate in 1938 and Albert Swann won the Southeastern Conference championship in 1948.

Georgia Tech’s team plays the University of Alabama Wednesday at the Athens Country Club in preparation for the tournament. Playing in the match Wednesday will be Charlie Harrison, Pete Ferris, Tommy Bachtell, Flair Call, Mike Rudolph, and Campbell Smith, all of whom will probably play in the tournament.

Auburn Cindermen Meet
Winless Tech Saturday

By Ray Savage
The Auburn Plainsmen move into Atlanta Saturday morning for their first game of the season against the Georgia Tech Engineers. The Plainsmen have yet to taste victory this season.

Auburn’s last game was a 21-14 victory over the Mercer Bears Saturday night at Atlanta. Tech lost its second game of the season to Florida State, 24-0, in Tallahassee.

Saturday will mark the first ap­pearance of Auburn on Grant Field since 1950. That year the Plains­men defeated the Tech thirteenth. That year also marked the first appearance of Jim Dillion in a Tiger uniform. Dillion that day, as a freshman, unofficially broke the SEC record for the discus throw.

Today he is one of the outstand­ing weight men in the country.

Last season Tech journeyed to Auburn and came back def­eated, 25-14. This year the Tigers saw their own record fall as well as the Tigers'.

This season the Engineers are made up of many young men. Each week-end they seem to improve, but it seems as though fate always takes the upper hand against the young team.

The meet should be a very close one, with Tech fighting hard to gain the first victory of the sea­ son. The meet will start at 1:45, with the running events begin­ning at 2:15. This will be Tech’s last home meet done of the season. The Jackets will be running on campus for the next few weeks and the meet will be in the GAAU here in Athens against the best from all over the state.
Track, Golf, Tennis and Softball Highlight Intramural Program

By Wilfred Smith

At the end of every school year comes a high point of fervor and excitement in the intramural office. This spring is no exception with golf, tennis and softball sports completed within the next month.

The track meet, sponsored again this year by the Bulldog Club, will be held Saturday, May 17 at 1:00 p.m. Individual as well as team points, will be awarded to the top four men in each event. These points will aid fraternities in their efforts to win the IPC trophy. The group points will be as follows: first place, 20 points; second place, 15 points; third place, 10 points; and the individual points as well as the individual points.

Not more than two men from an organization may enter any one event. Individuals may enter as many events as they wish. No spikes of any sort may be used in any of the track or field events.

The ten events scheduled for the track meet are:

- 100 Yard Dash
- 220 Yard Dash
- 440 Yard Run
- 880 Yard Run
- 1 Mile Run
- High Jump
- Broad Jump
- 12 Pound Shot Put
- Broad Jump
- 100 Yard Dash

The track meet is a high point of fervor and excitement in the intramural office. This spring is no exception with golf, tennis and softball sports completed within the next month.

The Spike's Shoe Club of Georgia Tech, a national honorary track and field society, held a reorganization meeting Tuesday afternoon. The new officers elected were: President, Ray Dale; Vice-President, Hugh Tanschell; and Secretary-Treasurer, Avant Daughtrey. Red Smith, the former president, was on hand to help the club get reorganized.

The club membership is composed of outstanding lettermen on the varsity track team. The club has as its purpose the fostering of competitive athletics in track and the growth and recognition of track and field events. Each year the Spike's Shoe Club sponsors an intramural track meet and also organizes all high school track and field meets.

The Spike's Shoe Club at Georgia Tech in the years past has been very successful. The revival of the club was immediately joined by all the active members graduated last June.

The club's next meeting will be Monday, May 4, in the football Lecture room at 6:45 P.M. Meetings will be held every two weeks thereafter.

Tennis Match Coach E. B. Burtell's netters will face the Tennessee Volunteers at Peters Park tomorrow afternoon.

On Cheating:

Cheating is now a highly developed science at some schools, it seems. Students, as a rule, have reached a high degree of proficiency, and all sorts of gimmicks have been used, from wrist watches to shoes. Some students prefer to write crib notes on their shirts while others use their white buckles or the palms of their hands for cribbing.

One professor relates that one of his more zealous students was so thorough in copying his neighbor's work that he even went so far as to copy his neighbor's name, an act that proved disastrous for both of the students involved.

The young ladies, it seems, have a decided advantage over the men students when it comes to ways of getting their crib notes into a quiz. Before a chemistry exam girls have been known to copy notes on their knees, answering questions during the exam by lifting their skirts higher and higher.

The big blows of this rampage were produced by Dave Bedford's doubles and a single, a double by Leon Harte, and a homer and two singles by Charlie Brannon.

The Georgia Tech's baseballers split their two-game series with the Gators at Rose Bowl Field Friday and Saturday. The defeat handed Georgia Tech its first loss.

During the game, it was the Gators' ninth inning that was the deciding one. The Gators combined eleven hits with twelve walks to score thirteen runs. They scored three runs in the first, fifth, and sixteenth, and one run in the eighth. When the game resumed, Harry Coe, the Gator lefthander, limited the Tech batters to two safeties until the roof fell in on him in the eighth. George Morris started the Gator freshman star, held the Tech nine in scoreless innings.

George Morris started the Gator freshman star, held the Tech nine in scoreless innings. The only time that the Gators were in trouble was in the third inning. An error and two walks put the Gators in a hole, and the big blows of this rampage were produced by Dave Bedford's doubles, a double by Leon Hardeman, and a triple by Charlie Brannon.
