Administration
PAGE 14
ADMINISTRATION
The part that Dr. Marion Luther Brittain has played in the expansion of the Georgia Institute of Technology cannot be overemphasized. For more than two decades he guided the efforts of Georgia Tech on its climb to prominence. Dr. Brittain will long be remembered for the part he has played in the growth of Georgia's educational system.
VICE PRESIDENT

Georgia Tech is indeed fortunate in having a man of the caliber of Cherry Logan Emerson as its Vice President. A concrete witness to his outstanding ability and personality is the rapid expansion which has taken place on the Tech campus during the past year. No member of the administration has a more difficult job, and no one could carry out the responsibilities of this office more ably than Cherry Emerson.

EXECUTIVE DEAN

Phil Blasier Narmore, as Executive Dean, is responsible for enforcing the regulations of the school. He has performed this difficult task with the quietness and firmness characteristic of a true leader. His energetic and tireless work has figured prominently in the improvement and expansion of Georgia Tech.

DEAN OF STUDENTS

One of the most indispensable members of the administration from the standpoint of students and faculty is George C. Griffin, Dean of Students. Thousands of students pass through his office for advice and assistance and his friendly, helpful attitude has won him the admiration of all those who have come in contact with him.
DEAN OF THE FACULTY

Lloyd W. Chapin
Dean of the Faculty

In his position of Dean of the Faculty, Dean Chapin has shown remarkable ability in handling the academic affairs of the Institute. Students and faculty alike have come to admire the spirit of friendliness and rare executive ability which he possesses.

DEAN OF ENGINEERING

Jesse W. Mason
Dean of Engineering

The administration of the engineering division comes naturally to Dean Mason who formerly coordinated the affairs of the School of Chemical Engineering. In his two years as Dean of Engineering he has proved his real ability as an administrator.

As Dean of General Studies, Dean Hefner has carried out his administrative duties with an air of warm sincerity and exceptional capability. His fairness and friendliness have won for him the high regard of the student body.
