How do you hear me? . . . Over.

Col. Amorose receives Legion of Merit.

So this is what we studied last year.

President Van Leer dines with cadets at Ft. Monmouth.
The AAA is ready.

Shave? On bivouac!

The '50-'51 rifle team.

No uniform, no picture.

PASS IN REVIEW.

All this for one medal.

Maggie's drawers.

Air Wing

Jump? No! Just for a ride.

Newly formed Arnold Air Society.
So this is how a jet works.

Getting the know-how, just in case.

What do ye know—fly boys taking P.T.

Think I'll go to flight school, this looks interesting.

The supreme Goal, the highest achievement of all the brass-shining, mirror-gazing officers of the Army Air Force and Navy Cadet Corps is the National Society of Scabbard and Blade. It is composed of men who have proved to be the best in leadership and intelligence, as far as the military is concerned. Theirs is a national honorary military society. The principle aim of the organization is to promote a feeling of unity among the military leaders and to maintain a high standard in the military activities of the corps. This year Scabbard and Blade brought to the campus Tex Beneke and his orchestra for the annual Military Ball.

Pershing Rifles is a fancy drill team which is a national military society of the college Army R. O. T. C. units located throughout the nation. All members of this organization have joined of their own free will and have met the standards and qualifications of good citizenship and discipline as set forth by their founder, John J. Pershing. Pershing Rifles, wearing their white leggings, white gloves, and white helmets, represent Georgia Tech and the Army R. O. T. C. in drills and competitions. This unit is composed largely of basic students who drill twice a week and attend meetings in the evening.
