WE'LL REMEMBER ... those fellows that worked with us in the classroom toward a common goal, from the guy on the back row who slept soundly throughout the lecture, to the guy on the front row that asked all the questions ... the guys in the lab squad with whom we sweated over many a report ... the guys with whom we stampeded the post office from five 'til until five after, all hoping for a letter from the girl ... the guys we bullied with over a cup of Robbery coffee ... our classmates.
