Utilize Campus Resources and Services

• Basic Rules
  - Be aware of your surroundings and activities, and take steps to protect yourself.
  - Stay alert to your surroundings and keep your focus on your environment.
  - Avoid walking alone, especially at night or in unfamiliar areas.
  - Use public transportation or call a friend if you feel unsafe.

• Crime Awareness and Prevention
  - Attend awareness events and seminars to learn more about crime prevention.
  - Participate in programs to improve the safety and security of the campus.

• Security Surveys:
  - Use body language to communicate that you are aware of your surroundings.
  - Keep your eyes open and your mind alert.
  - Trust your instincts. Leave if you feel uncomfortable.

• Bicycle Registration:
  - Engrave your bicycle with an owner identification number.
  - Keep your bicycle in good running condition and filled with fuel.
  - Lock your bicycle with a U-shaped lock.

• Publicizing Personal Information
  - Avoid giving out personal information—your name, picture, hobbies, and other details.
  - Keep your vehicle's license plate with tamper-proof bolts.
  - Keep your vehicle doors locked at all times.

• Property Safety Tips
  - Keep records of your equipment that include make, model, serial number.
  - Install burglar alarms capable of being monitored by the Georgia Tech Police Department.
  - Secure computers with cable locks or other security devices.
  - Install security device such as a steering column lock or a cut-off switch that interrupts fuel supply.

• Jogging, Bicycling, and Other Activities
  - Choose safe, well-populated routes.
  - Wear light, brightly colored clothing, especially at dusk and at night.
  - Wear light, brightly colored clothing, especially at dusk and at night.

• Preventing Personal Information from Being Used to Commit Identity Theft
  - Avoid giving out personal information—your name, picture, hobbies, and other details.
  - Keep your vehicle's license plate with tamper-proof bolts.
  - Keep your vehicle doors locked at all times.

• Stay Inside the Vehicle and Keep All the Doors Locked
  - Don't invite crime into a violent confrontation.
  - Keep your vehicle in good running condition and filled with fuel.
  - Keep your vehicle doors locked at all times.

• Security Tips
  - Use body language to communicate that you are aware of your surroundings.
  - Keep your eyes open and your mind alert.
  - Trust your instincts. Leave if you feel uncomfortable.

• When Walking
  - Walk tall.
  - Make eye contact with those around you and those who are walking alone.
  - Call the police immediately. Identify yourself.

• When Driving
  - Park in well-lit areas.
  - Carry a minimal number of belongings.
  - When you publicize personal information, you can reduce your chances of becoming a crime victim.

• When in a Vehicle
  - Be aware of your surroundings and activities, and take steps to protect yourself.
  - Avoid giving out personal information—your name, picture, hobbies, and other details.
  - Keep your vehicle's license plate with tamper-proof bolts.

• After a Break-in
  - Notify the appropriate authorities and the police.
  - Notify the appropriate authorities and the police.
  - Notify the appropriate authorities and the police.

• Preventing Personal Information from Being Used to Commit Identity Theft
  - Avoid giving out personal information—your name, picture, hobbies, and other details.

Who Should Crimes Be Reported To

- Non-campus building or property:
  - Non-campus building or property:
  - Non-campus building or property:

When a criminal act has been committed, it is important to report it to the appropriate authorities. This document provides information on the Georgia Tech Police Department, including their role in enforcing laws and Institute regulations. The department is responsible for providing security and protection to the campus community.

**Rape and Sexual Assault**

- Rape and Sexual Assault are classified as being on or off campus. The Georgia Tech Police Department also will notify the appropriate Institute administrator so that the incident can be forwarded to the Office of the Dean of Students.

- Georgia Tech women’s clinics are part of the Georgia Tech Police Department, the Counseling Center, the Grady Rape Crisis Center, and the Women's Resource Center. These clinics can assist you with the appropriate steps you need to take. We recommend the following procedures:

  - **Consider Counseling:**
    - If you have been assaulted, it is important to seek counseling. The Counseling Center is available 24 hours a day, 7 days a week. Georgia Tech has trained student peer educators available to provide support.
    - **Women's Resource Center:**
      - The Women's Resource Center can provide an advocate and support system.

**Drug Enforcement**

- Drug Law Violations are classified as being on or off campus.

**Violent Crime**

- **Nonforcible Sexual Offenses:**
  - Nonforcible Sexual Offenses are classified as being on or off campus.

**Arrest Statistics**

- **Race (Actual or Perceived):**
  - Race (Actual or Perceived) are not included in the reported statistics.

**Criminal Offenses**

- **Liquor Law Violations:**
  - Liquor Law Violations are classified as being on or off campus.

**Hate Crime**

- **Gender:**
  - Gender are not included in the reported statistics.

- **Sexual Orientation:**
  - Sexual Orientation are not included in the reported statistics.

### Campus Overview
The Georgia Institute of Technology is committed to the safety and security of its campus community. The Georgia Tech Police Department (GTPD) is responsible for ensuring the security of the campus, enforcing state and federal laws, and providing law enforcement services.

### Campus Departments
- **College of Architecture**
- **College of Computing**
- **College of Engineering**
- **College of Sciences**

### Student Code of Conduct
The Student Code of Conduct, which may include provisions for students' rights and responsibilities, is enforced by the Office of the Dean of Students.

### Security Measures
The Georgia Institute of Technology employs various security measures to protect the campus community. These include:
- **Campus Safety Programs**: The Georgia Tech Police Department offers a variety of programs aimed at preventing crime and protecting the campus.
- **Emergency Preparedness**: The campus has protocols in place for responding to emergencies, including natural disasters and human-made emergencies.
- **Fire Safety**: The campus has fire safety regulations in place to ensure the safety of students and employees.
- **Transportation Security**: The campus has policies in place to ensure the safety of students and employees while traveling on or near campus.

### Reporting Crimes and Traffic Accidents
The Georgia Tech Police Department encourages the reporting of crimes and traffic accidents. Reporting these incidents is essential for the proper investigation and identification of offenders.

### Preparing the Annual Security Report
The Annual Security Report is prepared by the Georgia Tech Police Department and is distributed to the campus community. The report includes crime statistics, security measures, and other information relevant to the safety of the campus community.

### Alcohol and Illegal Drug Use
The Georgia Tech Police Department offers educational programs related to alcohol and illegal drug use. These programs are designed to raise awareness and promote responsible behavior.

### Counseling and Referral Services
Counseling and referral services are available through the Counseling Center and the Office of the Dean of Students. These services provide assistance to students in need of support.

### Campus Facilities
The campus offers a variety of facilities, including housing options, academic buildings, and recreational areas. The Georgia Tech Police Department is responsible for ensuring the safety of these facilities.

### Security and Privacy
The Georgia Tech Police Department is committed to maintaining the privacy and security of the campus community. The department follows all applicable laws and regulations to ensure the confidentiality of personal information.

### Campus Facilities
- **Student Housing**: The campus offers a variety of housing options for students.
- **Academic Buildings**: The campus features a variety of academic buildings, including those in the Colleges and Schools (SACS), the Institute offer technologically based education.

Utilize Campus Resources and Services

• By taking a few simple precautions as you go about your day, you can reduce your risk of becoming a victim.

Safety and Prevention Information

Personal Safety Tips

• Utilize Public Transportation
• Utilize walkways and sidewalks
• Utilize well-lit areas
• Utilize installed security equipment

• Use body language to communicate that you have security awareness efforts

• Be aware of your surroundings; stay alert and don't get distracted.

• Choose well-lit, busy streets, and areas and walk tall.

• Trust your instincts. Leave if you feel uncomfort-

• Make eye contact with those around you and walk with a friend.

• Don't resist if the attacker is only after your property.

• If possible, carry a personal safety alarm.

• Wear light, brightly colored clothing, especially while at the library, dining halls, classrooms, and on-campus residents.

• If your vehicle breaks down, raise the hood, use locking bolts, and other caution areas.

• Engrave your bicycle with an owner identification marking where possible.

• Engrave or apply an owner or departmental identification marking where possible.

• Keep records of your equipment that include a description of the equipment along with the owner identification number.

• For more information, call 404-894-1284.

Property Safety Tips

The most frequent property crimes are those involving theft of personal or institutional property.

• Install burglar alarms capable of being monitored by your local police or fire department.

• Keep your vehicle in good running condition and able to start.

• Keep identification money for telephone calls or other detailed personal information—on Web sites and other easily accessible sources.

• Install a security device such as a steering column lock or a cut-off switch that interrupts fuel supply.

• Park in well-lit, busy areas, and don't leave your belongings visible.

• Place your vehicle in a parking lot, residence hall, or open space.

• Keep your vehicle's hood open to allow this information to be used by those attempting to assist members of the Georgia Tech community.

• Be aware of your surroundings; stay alert and don't get distracted.
