Athletics at Tech became a part of your education.
Bob Bossons was captain of the 1950 Georgia Tech eleven. He joined the Jacket staff in 1951 and later became B team coach.

Frank Broyles was a former all-around Georgia Tech athletic great and joined the staff after the 1950 season as backfield coach.

Earl Bortell came to Tech in 1921 to teach school but took over the tennis team in 1932 and has held the job since then.

H. E. Dennison came to Tech in 1929 and became Faculty Manager and Director of the golf team in 1931.

Norris Dean is a graduate of Georgia Tech who joined the staff after graduation and took over the helm of the track team in 1943. Ray Graves came from the Philadelphia Eagles to Tech in 1947. He has been head line coach since then.

George Griffin is a legend in Tech history and has been associated with athletics since 1920. He has been cross country coach since 1930.

Bo Hagan joined the staff in September, 1951. He is now head Freshman coach.

Whack Hyder is another Georgia Tech graduate who has returned to the school to aid in the athletic program. He is head basketball coach.

Bobby Dodd, the third Head Football Coach in Georgia Tech history, has completed his ninth season as the Yellow Jacket mentor with an outstanding record against major competition of 73 wins, 23 defeats and two tie games. Five of Dodd's teams have played in bowl games without a single loss.

Fred Lanoue, a graduate of Springfield College, came to Tech via the Atlanta Athletic Association to lead the swimmers.

Sam Lyle, a former L.S.U. end, joined the staff as end coach in the summer of 1951 after being on the L.S.U. staff.

Bob Miller came to Tech in 1941 as an assistant B team coach and was varsity line coach during the next three years.

Joe Pittard joined the Georgia Tech staff in 1943 after 22 years as head coach and athletic director at Gainesville. He is now head baseball coach.

Whitey Urban, a graduate of the University of Chattanooga, joined the staff in January of 1951 after coaching in the Mid-South prep conference.

Lyle Welser came to the Institute in 1946 and formed the first gym team. He is a graduate of Springfield College.

Lewis Woodruff came from Decatur, Ga., High to Tech in 1947. He is assistant backfield coach now.

Tonto Coleman, Assistant Athletic Director, came to Tech from the University of Florida in January, 1952.

Howard Ector, a former football star for Georgia Tech, became Business Manager for the Athletic Association in 1955.

Ned West came from Florida State University in 1952 to assume the duties of Sports Publicity Director.
ATHLETIC ASSOCIATION

The Georgia Tech Athletic Association, headed by Coach Robert L. Dodd, has more than kept pace with the sports boom. The progressive policy of producing winning teams is continually in the spotlight. Georgia Tech is in the eyes of the nation as a result of the Athletic Association scheduling powerhouse teams from far sections of the country.
Varsity

Varsity sports bring many rewards.
Larry Morris, 6-0, 202, 19, Junior, 3-year letterman. Larry has been regular linebacker for three years at Tech and also played offensive center where he proved to be a fine blocker this year. He was named to all the Southeastern Conference All-Star teams this season and to the All-American first teams of Colliers, Associated Press, United Press, Sporting News, and New York Daily News.

MOST VALUABLE PLAYER AWARDS
Ed Gossage, 6-3, 196, 22, Senior, 3 year letterman. Ed is considered one of the most versatile and smartest men on the squad. He served well in the guard and tackle spot whenever needed while keeping his point average in school high.

Orville Vereen, 5-11, 188, 21, Senior, 3 year letterman. Orville is the mighty mite of the team. He has started at guard for three years at Tech. Although small in stature he is swift and agile.

Sam Hensley, 6-0, 188, 21, Senior, 3 year letterman. Sam was a member of the 1952 All SEC defensive team at end and switched to two platoon play easily. He received much notice from his double duty play.
On Saturday, September 20, the 1953 Golden Tornado took to a soggy field at Grant Field in quest of their 27th game without defeat against the Davidson Wildcats. The Jackets all but ran the Wildcats off the field as they racked up 53 points while holding Davidson scoreless and allowing them only 41 yards net gain.

It would be hard to single out any one outstanding performer. Coach Dodd employed 53 players, 28 of them handling the ball. But the most remembered man of the day will be freshman Wade Mitchell. The freshman from North Fulton High School made the first collegiate pass he ever threw good to Bill Sennett for 33 yards and a score.

In the first quarter Leon Hardeman crashed over from half a yard out for Tech's first score after 6 minutes were gone. Glen Turner kicked the extra point and Tech led 7-0. By the end of the period the Yellow Jackets were ahead 23-0 by virtue of TD's by Hardeman and Sennett, plus a blocked punt safety.

In the second period Larry Badlin, Mot Morrison, Mitchell, Johnny Hunsinger, and Joe Hall supplied the punch as Tech crossed the double stripes three more times to make the score 41-0.

In the second half Dodd let his freshmen and reserve veterans beat Davidson 9-0. The Engineers couldn't score in the third period although they were credited with fine defensive play. Guard Tommy Mansfield fell on a Davidson fumble to halt their first drive. Moments later after Tech had lost the ball, end Bob Julian made an acrobatic interception of a Davidson pass at their 29. Twice more before the quarter was over George Volkert stole two passes, both thrown by left-handed Johnny Gray.

The Jackets broke the ice again in the fourth quarter when Dick Mattison and Carl Vereen trapped Jim Shelton in the end zone for a safety. This fired up the team and from a subsequent free kick they drove 43 yards for the final score of the game.

Hunsinger gets six before being tackled.
Georgia Tech fought four furious rounds with the University of Florida in the mud and did everything except score as they fought to a 0-0 tie on a rain-soaked field.

Tech had first chance to score early in the first period. Florida took the kickoff but was able to get nowhere. Tech took the punt and roared all the way back to the Gator 10 in a matter of plays. Hardeman carried the ball inside the 10 but fumbled. Again Hardeman fumbled at the 12, this time Florida recovered. On the next play the Gators fumbled the ball right back and the Jackets had their second opportunity to score. Teas and Dripps worked the ball to the 1/2 yard line. On third down Teas slipped down at the 6. They were again unable to score and Florida took over again.

Tech played exceptionally well on defense, holding the Gators to 75 yards rushing and 1 yard passing. Henley, Sherman, Frey, and Morris led the Jacket forward wall brilliantly.

In the third quarter Tech received another opportunity to cross the double stripes. On fourth down Davis kicked from his own 28 to the Gator 35. Two plays later Dickey fumbled at the 24. Mitchell came in and threw a pass to Hardeman for 8 yards, the first completed pass of the afternoon. Turner picked up 6 yards to the 10. Mitchell fumbled his attempted jump pass and Joe Diagostino recovered for Florida.

In the fourth quarter Davis gave another one of his fine performances by dropping a punt dead at the 1. Casares of Florida proceeded to kick. Tech was unable to start another drive and had to settle for a 0-0 tie.

Georgia Tech slipped past a tough SMU team 6-4 before 39,000 sunbaked fans at Grant Field for the 29th consecutive game without defeat. Tech left the field with surprising looks on their faces after the Mustangs had outclassed them in every phase of football but the score.

Tech's potent and versatile offense was bottled up as the Mustangs shifted their defense to meet every type of running play the Jackets could offer.

The first half was scoreless with neither team being able to put together a sustained drive.

Tech's only score was set up shortly after intermission when Dave Davis leaped high into the air to intercept a Duane Nutt pass at the SMU 26. He returned the ball to the 20 and one of the boys from Dallas was called for unnecessary roughness, and that gave the Jackets 15 more vital yards. This made it 1st down for Tech on the SMU six. Turner carried the ball to the 3 where two plays later Rodgers went over on a Qb sneak. Rodgers missed the extra point and the Jackets were ahead with a sparse 6 point advantage.

Hardeman, Teas, and Turner were not shown much daylight, so the brunt of the day was shouldered by a mighty Jacket line.

Tech could not move the ball consistently and late in the 4th quarter Tech had its back to the wall and Davis tried to kick from his own 6 where it was blocked by Jack Gunlock. The ball rolled out of the end zone and SMU had 2 more points.

When the game ended the Jackets had scored once and held on, and it netted a victory over a foe playing superior football.

Quarterback Bill Brigman returned from obscurity to throw 2 TD passes and lead a rejuvenated Tech team to a convincing 27-13 victory over a band of determined Tulane football players.

After a slow, fumbling start Tech gathered speed under the lash of Brigman's accurate throwing arm and the return to form of Leon Hardeman and Bill Teas.

Tech opened the scoring with fullback Ronnie Kent plunging over from the one yard line.

Tech's first scoring drive began on the Tulane 36 after Larry Morris intercepted a Greenie pass. The drive was climaxxed by Glenn Turner on a diving 4 yard buck. Pepper Rodgers kicked the point to put Tech out front 7-6. Tech, led by Bill Brigman, unleashed a 60 yard scoring drive in the second period. Brigman covered 50 of the 60 yards in Tech's drive with a pass to end Sam Hensley, eating 32 yards. Brigman's 18 yard scoring pass to freshman halfback George Volkert gave Tech a 13-6 lead. Rodgers PAT made the score 14-6 at halftime.

After Tech recovered a bad Tulane center pass on the Greenie's 15 in the third period, Brigman threw a 13 yard pass to Bill Sennett for a score that put Tech ahead 21-6.

Tech's final TD came in the last period on the passing of freshman Wade Mitchell and the running of Glenn Turner. The drive covered 62 yards with Turner cracking over guard from the 3 for the score.

Georgia Tech, playing with power and poise, sent fumbling Auburn back home Saturday on the short end of a 36-6 score.

The Plainsmen fumbled six times to the stout Jacket forward wall, three of which set up Tech touchdowns.

Tech scored after 2:35 of the first quarter when Larry Morris fell on Fob James's fumble at the Auburn 41. Three plays later Leon Hardeman scored from fifteen yards out as Pepper Rodgers missed the PAT. Two plays after the kickoff Auburn fumbled again and Burton Grant kicked a 23 yard field goal six plays later.

Auburn stiffened its defense and held Tech scoreless until late in the second period when the Jackets climaxed a 52 yard drive with a touchdown pass from Wade Mitchell to Bill Sennett from 22 yards out. Mitchell kicked the point and Tech led 16-0.

Auburn came back eager in the second half. Too eager. James fumbled the first play from scrimmage and Orville Vereen grabbed it at the Auburn 39. Six plays later, Bill Brigman unwound a 23 yard scoring pass to Sam Hensley in the coffin corner. Glenn Turner's PAT made the score 23-0.

Auburn was able to get nowhere when later in the third period the hapless James again bobbled the ball, with Linwood Roberts falling on it at the Tech 41. Roberts followed it up with a 17 yard run on the draw play. On the next play Hardeman skirted end for 39 yards and the TD. Brigman kicked the point to make the score 30-0.

It was early in the fourth period when Auburn's Bobby Freeman led a 50 yard drive that ended with Joe Davis scoring on a 13 yard end sweep. But Tech came right back to travel 70 yards on seven plays to a touchdown from the 2 by George Humphreys after a 39 yard end sweep by Larry Ruffin to make the final score 36-6.
Notre Dame, the nation’s No. 1 team, survived a tooth and nail second to shatter Georgia Tech’s vaunted 31 game unbeaten streak, 27-14. It took the best team in the country to bring down the Engineers.

Notre Dame took the opening kick-off and charged 80 yards through the Jackets’ forward wall in 10 plays to score. Heap started the drive with a 33 yard scamper to the Tech 29 yard line. Lattner and Guglielmi picked up a first down, then left it up to Worden, who, on three plays, drove into the end zone. The PAT was good and Notre Dame led 7-0.

Tech couldn’t move the ball, so Dave Davis punted 59 yards to the Irish 20. Tech managed to keep the Irish in their own territory for the remainder of the quarter.

During the 2nd quarter Tech received a punt on its own 49 yard line. Teas and Turner worked out a 1st down, but Tech stalled and Davis kicked dead on the Irish one foot line as the half ended.

Tech steamed out of the dressing room for the 3rd quarter with the idea of sending the Irish to the cleaners. The Engineers came to life after Mitchell intercepted a pass on his own 30. The Engineers’ running attack perked up after Mitchell flipped a 15 yard pass to Henry Hair on Notre Dame’s 31. Teas, Hardeman and Turner began to find daylight in the previously impregnable Irish line and slashed to the one. Then Mitchell shoved across on a QB sneak and converted to tie the score at 7-7.

The ever exploiting Irish broke another streak when they passed to the first 6 points against Tech in 21 games. The aerial score climaxed a 56 yard drive. It came on a 9 yard heave from Guglielmi to Heap.

A few minutes later, the Irish on a “gift,” scored the clinching touchdown. Jim Morris snapped the ball over kicker Jimmy Carlen’s head into the end zone where tackle Art Hunter fell on it for the score.

Tech’s hopes were doused when the Irish scored their last TD. The drive was climaxed after 42 yards when Lattner struggled into the end zone.

Tech threatened again on the Notre Dame 18 yard line but surrendered the ball on downs.

Georgia Tech's football team resumed its winning ways by thoroughly trouncing an outclassed Vanderbilt squad 43-0. After a somewhat rugged first half which saw them take only a 13-0 lead, the Engineers came back strong with a show of finesse, speed and power.

Billy Teas showed the Commodores his heels early in the initial period as he rumbled off 38 yards for the first TD of the afternoon. George Volkert, a native of Nashville, skirted end for ten yards and a touchdown in the first quarter to put the Engineers in front 13-0. Rodgers added the PAT on the first touchdown, but had his second blocked.

After the two scores in the first period Vanderbilt stiffened and held Tech scoreless for the remainder of that half. Vandy's only real scoring threat came early in the second period as they drove to the three yard line. Here the Jacket defense made one of the goal line stands for which it has become famous and held the Commodores on four successive downs.

Burton Grant started the Engineers' scoring in the second half with a field goal for three and Bill Sennett set up the third touchdown with a pass interception on Vandy's 46. It was then a 16 yard toss from Rodgers to Henry Hair accounted for the next TD.

Burt Frackenpohl scored his second touchdown when he fell on a fumble in the end zone.

The first of the two scores in the last quarter was made by end Jimmy Durham, after making a fine diving catch of Rodgers' 57 yard throw. Rodgers then hit Durham in the end zone for the TD.

The most spectacular play of the day occurred in the last few seconds of play as Grant faded back and heaved a 59 yard pass to Joe Hall for Tech's final score.

**TOP:** Teas picks up nine.

**BOTTOM:** Volkert gains seven for the home town folks.
Pepper Rodgers responded to another crisis at Grant Field Saturday afternoon as Tech turned back stubborn Clemson by a score of 20-7 before a homecoming crowd of 37,000 chilled fans.

Tech started off in debt when sophomore quarterback Don King led the Tigers on an 80 yard touchdown tour before the Jackets could get their hands on the ball. After that the game see-sawed back and forth with neither team being able to score again until just before the end of the half when Rodgers came into the game with Tech in possession of the ball at the Clemson 19. Pepper drew back and threw a 16 yard pass to Henry Hair at the 35. Bill Teas picked up nine yards on three bruising plays and Rodgers streaked for a first down at the 23. Then Leon Hardeman in one of his best carries of the day warmed his way 21 yards before being knocked out of bounds at the 2. After an unsuccessful try by Glenn Turner, Rodgers sneaked across for the TD. His try for the PAT was good and the halftime score read 7-7.

Teas' dramatic punt return set up Tech's second touchdown. Hardeman received a Tiger punt at his own 25 and handed off to Teas who raced down the sidelines until he was hit at the 38. But he refused to go down and kept on going until he was brought down at the Clemson 19 yard line. Two plays later Rodgers hit Dave Davis at the goal. The PAT was good and Tech took the lead for the first time after 5:45 of the third quarter.

Charlie Brannon recovered a King fumble and introduced the Jackets to their final score late in the third period. Teas again came through in the clutch with a 26 yard dash to the Clemson 34. Turner and Brannon got a first down the hard way at the 24. After Larry Ruffin picked up a yard Bill Brigman hit Sennett on the goal line. The PAT was missed and the score read 20-7.

In the fourth quarter Clemson tried valiently to get back into the ball game but Tech's stout defense held and the final whistle saw the Jackets on the long end of a 20-7 score.

Alabama, the last SEC team to beat Tech back in 1950, did it again Saturday to the tune of 13-6 before 42,530 fans at Legion Field.

It was a bitter, hard fought game that wasn't decided until the final whistle blew. The Tide needed but two pass interceptions to hand the Jackets their second loss of the year.

In the first quarter Bobby Luna intercepted a Wade Mitchell pass on the Tech 40 and ran it back to the 21 to set up Alabama's first touchdown.

Later, in the second period, with Pepper Rodgers at the helm, Tech almost started a scoring drive. Rodgers started the march from his own 34 with a 19 yard pass to Sam Hensley. Then he hit Henry Hair for 10 and another first down. After fumbling a third pass attempt Rodgers arched a long one to Bill Sennett at the Tide ten, Alabama was charged with interference. After a five yard penalty and a 22 yard loss Burton Grant went in and tried a field goal. The ball was held at the 37 but the distance was too much and Alabama led at halftime 7-0.

Tech roared back after intermission and got back in the game after 3:28 of the third period. Bill Teas started the drive with a 27 yard kick-off return to the Tech 31. Rodgers hit Glenn Turner with a screen pass good for 18 yards. A 15 yard unsportsman-like conduct penalty against the Tide moved the ball to the Alabama 27. Teas skirted end for seven, and after an off-side penalty Charlie Brannon hit Dave Davis with a running pass for four yards. And Turner by sheer refusal to be dragged down went for five and a first down at the 15 yard line. Then came a key play. Rodgers was heavily smothered but converted a severe loss into a sizable gain by zig zagging down to the 8. Turner got 2 and then Rodgers sneaked for a first down at the 4. Hardeman who played heroically with a hip injury hit for two. He then faked everybody out by crashing through the middle while Turner, who usually does the faking skirted left end for the score without being touched. The PAT was good and Tech trailed 7-6.

Another interception led to the second and deciding score when Bill Stone intercepted a Mitchell to Sennett pass at the Tech 49. Alabama moved the ball to the 30 as the third period ended. Six plays later Elmore scored the last touchdown. Orville Vereen blocked the PAT and the score stood 13-6.

Larry Morris was the big gun in the Jacket defense with 13 tackles.
With the Georgia Tech football team there is never a dull moment. It is a series of thrilling surprises like that one at Grant Field, Saturday, when Bill Teas returned a punt 52 yards to give Tech a hard earned 13-10 victory over Duke.

Tech appeared doomed to an ill fated 10-6 defeat with only 4 minutes to play until Teas made his sweeping run which climaxed the most exciting game at Grant Field in many years.

Duke jumped into the lead on a field goal by Bernie Jack in the 1st period after the Blue Devils had driven to the Tech 5, but were unable to push it farther.

Tech started a drive on Duke's 41 late in the 2nd quarter with Pepper Rodgers throwing a 22 yard pass to Charlie Brannon. Pepper tossed again to Henry Hair on the 9, Glenn Turner tore through the Blue Devils' line for 7 yards and then carried it to the one. Rodgers sneaked over for the score. Rodgers missed the PAT and the teams retired for the half with Tech leading 6-3.

Late in the 3rd quarter Duke put on a sustained drive to score. Jerry Barger went 20 yards on a disputed lateral to the Tech 22. He then threw a 9 yard pass to Jerry Kocourek and Caudle picked up a first down on Tech's 10. Tech held for 2 downs until Jack Koehler went wide for 6 and then into the end zone for the score. Bernie Jack booted the PAT and Duke led 10-6.

In the final period Teas made a handoff to George Volkert who dodged 31 yards to the Duke 46. Hensley made a great catch of a Rodgers pass at the 24. Hunsinger picked up a first down and then bulled his way to the 5. Teas was thrown for a 2 yard loss and Rodgers' desperate 4th down pass was incomplete. That looked like the finish for Tech with only 4 minutes to play. Barger was forced to kick and Teas returned it for a score which turned Tech from the realms of defeat into a glorious victory which many people will remember for years to come.

Georgia Tech fashioned a workmanlike 28-12 victory over Georgia at Grant Field Saturday and kept the thumbsprints off their Sugar Bowl credentials.

Pepper Rodgers handled the controls on all four TD’s, scoring one himself and kicking 4 PAT’s. After the game he was elected to receive the first annual joint sportsmanship award given by both schools.

Fumbles were swapped at the start but Tech covered the third one and had to go but 3 yards to score. Rodgers scored from the 3 and kicked the point to give Tech an early 7-0 lead. Later in the period, after an exchange of punts, Tech got the ball on its own 20. Rufin picked up 1 yard, followed by Humphreys with two. Rodgers then hit Hair with a pass good for 17 yards at the Georgia 48. Rodgers then zigzagged for 17 yards to the 31. Two plays later Rodgers hit Durham at the 14. On the next play Humphreys churned up the middle for the score. The PAT was good and Tech led 14-0.

The Bulldogs grabbed a Tech fumble to open the 2nd quarter and punched it 25 yards to score. Sam Mrvos missed the point and the score remained 14-6.

Tech’s next scoring move was on a running pass by Teas. He threw a high lob to Durham who made a great catch in the midst of Bulldog defenders. The PAT was good and the score stood 21-6.

In the third period Jim Carlen dropped a punt dead on the Georgia 4. The Bulldogs kicked out and the Engineers organized the move that carried them into the 4th quarter and the final TD that Hair scored on a pass from Rodgers. Pepper’s 4th point try was good and the score was 28-6.

The game see-sawed back and forth in the remainder of the 4th period with Bratkowski trying desperately to get his team back into the ball game. Shortly before the final gun Georgia scored on a 51 yard attack with Howard Kelly scoring. The point after was no good and the final score read 28-12.
1954 SUGAR BOWL

The 1954 Sugar Bowl began with Georgia Tech receiving the ball and marching straight down the field for a touchdown on a pass from Rodgers to Hensley. This put them ahead and they never lost the advantage the rest of the evening.

After the opening march to glory Tech received a shock as Tommy Allman took a pitchout and cut back through Tech's scattered middle for 60 yards and a touchdown but a flag had waved the play down. This stymied the West Virginia eleven and Tech took over on downs. Rodgers again unleashed his mighty arm and proceeded to lead the team to another score. Following this score West Virginia took the ball and with the use of 10 plays marched 62 yards for their only touchdown of the first half. The first half didn't close without seeing Tech score for the third time with Hardeman getting the 6 points. Hardeman showed his fine form after being out for almost six weeks preceding the game.

In the third period Dave Davis recovered a fumble on West Virginia's eight. After three attempts were made to get a touchdown Rodgers proceeded to kick a field goal. One of the more amusing aspects of the game came as Tech scored for the fourth time. Turner was faking through the middle and Hardeman with the ball looked like a sure tackle for the West Virginia linebacker, but as Turner was felled the linebacker stepped aside and patted Hardeman on the hip as he went on to score.

The substitutes took over for Tech and gave West Virginia an excellent game as they scored the fifth TD which saw Larry Ruffin gallop 43 yards. Final score: Tech 42, West Virginia 19.

THE "B" TEAM

As we take a look at football at the Flats we see a group of red shirted men. These men don't share the glory of the varsity, but they have the satisfaction of knowing that any victories the varsity has is due to the effort these B-Teamers have put forth during the week.

Opening with Tennessee they played a good game and triumphed 28-13. Tech's first score came midway the first quarter as Burton Grant kicked a field goal from the 35 yard line. Tech's first six pointer came as freshman quarterback Vann tossed a pass to end Allan Lee good for 32 yards. Freshman Mattison also showed his heels to the Vols as he galloped for a TD and carried the ball into position many more times.

Later the Red Shirts entertained the Alabama B team at Grant Field. They were not the best host as they trounced the Red Elephants 41 to 7. The Jackets claimed their second straight victory with little trouble by scoring 41 points before the end of the third quarter. Burton Grant opened the game with a pass to Bob Julian to the Alabama 5 yard line. Fullback Ken Owen carried into the end zone and Grant converted to start the rout. This continued throughout the game until everyone had played and Alabama was allowed to score.

For the final and strictly B team game the Jackets engaged Middle Georgia College in the first annual Pimiento Bowl game. Halfback Jimmy L. Morris scored five times, Stan Cochran scored two times and Wayne Saterbak got one as the B team triumphed 54-0. Morris broke loose on the first play from scrimmage following the opening kick-off and trotted 50 yards for a TD. Cochran's longest run was 44 yards for a TD, but Saterbak took the prize for distance with an 80 yard gallop in the fourth period.

Spirited Red Shirts stop the Varsity.

The B team provides good opposition.
Coach Bo Hagan's 1953 Baby Jacket squad appears to be a promising hard fighting team as they strain to replace their varsity brothers on the gridiron.

Georgia Tech's freshman football eleven depended upon everybody as it met and overcame Auburn 32-20. The accurate passing of Toppy Vann, Fred Casey, Don Ellis and Paul Rotenberry accounted for four of the five touchdowns and Rotenberry got the other one as he trotted eleven yards.

After this game came the memorable Thanksgiving Day game with the University of Georgia freshmen for the benefit of the Scottish Rite Hospital. Again the Baby Jackets were victorious with a 12-7 triumph. The scoring went on in the early part of the game as Georgia fumbled on the second play with Vann passing to Newton to get into scoring position and Vann carrying into the end zone but fumbling only to have Casey recover and still give Tech six points. Immediately the Bullpups on a great pass play scored. Later Ecker recovered a Bulldog fumble on the Georgia 20 and the Jackets moved to the 5 yard line only to give up the ball on downs. Just before the end of the quarter Menger took a punt and executed an excellent run for the final score of the game.

This win gave the Baby Jackets four straight seasons without a defeat and an edge in the Bullpup series of 10-9.

The Cheerleaders should be given a lot of credit for aiding Tech throughout the fine season. The rah-rah boys began practicing in the spring and having tryouts to see who could cheer the footballers on. After spring practice the squad was chosen by the Ramblin' Reck Club.

Not only are the Georgia Tech Cheerleaders gifted at coordinating the cheers of the student section at the football games but they are also versatile gymnasts. The cheers are usually ended with a snappy back somersault and during the halftime the squad puts on various gymnastic acrobatics.

The squad is captained by Bobby Elder, a Senior from Macon, Georgia and a tumbler for the gym team. Ably assisting Bobby are Charles Homan and Truman Raspberry, both are from Macon, Georgia, and Arthur Bruce from Greenwood, Mississippi. Gus Randolph from Marfield, Kentucky and Ira Smith were the new members to the team. Also Ann Brown, one of the Coeds, who became the first girl cheerleader in Tech History.
The Yellow Jackets who participated in basketball at the flats began the season with a loss and a hope—a loss of the first game to South Carolina by a close margin of five points and a hope that they would overcome this deficit the next game. But this feeling continued until the team almost became the first team in Tech history to go through a season without a win. This glory was stopped by the same team that started in to the tune of five points in Tech's favor over South Carolina.

After the season's opener with South Carolina, Tech faced four opponents with whom they played basketball and showed promise of some wins. In these four games that they played the chance of winning seeped through their hands as the team choked in the finish to give the other teams a chance to overcome and defeat the Tech Basketballeers. Then came Kentucky, the powerhouse of the nation, who were out to humiliate everybody in the Southeastern Conference and that is what they did to Tech with a score of 105-53.

The inexperienced Tech team became more experienced and the games were lost by a smaller margin than before. They still lacked the push and drive that was needed to make winners out of them. The win and lost columns do not indicate the spirit and fight the team had but a closer look at the score shows it.

After being defeated numerous times more the courtmen of Tech came to battle South Carolina, whom they defeated by a score of 58 to 53, thus ending their losing streak. To make the season a virtual success, they took the final game of three from Georgia 80 to 63.

The inexperience and need for the right combination should be removed from next season and the Techmen will probably have a big win streak.

The Yellow Jacket baseballers opened the season at home by splitting two with the Auburn Tigers. The Engineers toppled Auburn 6 to 5 in the opener as Buddy Young pitched excellent ball for seven innings and Rhino came in to help and put out the fire that had started. Larry Morris belted a long single to send Rhino across the plate with the extra run that provided the necessary cushion. In the following game, the lead swapped back and forth until Auburn jumped on the starter for Tech and gathered enough runs to go home with a 14 to 7 win.

Tech played a short two game series with Georgia and lost both of them. The first by a score of 12 to 2 as Jack Roberts of Georgia gave up only four hits, two of which were banged out by Clyde Young. Dave Redford was the losing pitcher, and required help from Buddy Young and Red MacGarr to finish the game. Nine Tech errors supplemented a 14 hit attack to bring about the Tech downfall. Victim of Georgia's 11 to 3 win the next day was Clyde Young. Clyde was breezing along in a 2 to 2 pitchers battle before a seven-run barrage sent him to the showers and sent the game beyond recall for Tech.

The 1953 baseball season is safely tucked away in the record books. Georgia Tech coach Joe Pittard can look back on a campaign in which the Yellow Jackets took their
share of the lumps, but the lads in White and Gold also had their share of the glory. A first look at Tech’s 8 won and 13 lost record might make the 1953 campaign seem a failure, but a closer look shows the Engineers looking good. The Pittardmen played the best ball of the season against the three top teams in the Eastern division, thus giving them fourth place.

When Florida came into town back in April, running neck and neck with Georgia first place in the league and badly needing a sweep of the two-game series, the Jackets dealt the Sunshine Staters the defeat that ultimately cost them the championship. A 2-1 edge in the Tennessee series gladdened the heart of Coach Pittard and gave Tech fourth place in the Eastern division standings. However, the biggest day of the 1953 season came when Tech momentarily stalled Georgia’s championship bid with a brilliant 12 inning victory over the Bulldogs.

In both the Georgia and Florida spoilers, little Chappell Rhino was the man of the hour. The Atlanta senior finished his pitching career at Tech with his fourth victory of the year, or exactly half of the wins claimed by the Jackets this season.

Although the Jackets did not win even half their games in the 1953 season, there were a few young stars discovered who are expected to glow brightly in the future. Two freshmen, Bill Cohen and Jimmy Rogers, were consistently outstanding both at bat and in the field. Since the Techsters lose only Chappell Rhino, Mike Austin and Clyde Young due to graduation, regulars Charlie Brannan, Bobby McCauley, Dave Redford and Dan Theodocian in addition to Rogers and Cohen will be back next season to form the nucleus of a fine squad.
Clyde Young slides into second.

Brannon beats the throw.

The Georgia Tech track team opened its 1953 season by being routed by Florida 105-21 in Tech's only home meet. The Gators took first in every event and made a clean sweep in the 440 and 100 yard dashes, the 880 yard run and the javelin.

The next meet saw the cindermen lose again, this time to Miami and Georgia, who finished one-two in a triangular meet held in Miami. But Tech showed tremendous improvement over the past week as Roy Cooper overtook Miami's Slaten to win the two mile run. Dick Rabston gave Tech its second first place by pole vaulting over 12 ft., with Bill Simmerville in a tie for third. Hugh Tannehill helped in the point department by winning the 880 yard run.

The following week the thinclads put up a good fight before losing to Florida State, and Georgia. Francis Rust got places in the high jump, low hurdles, broad jump and the 440 relay. Harry Wright scored with places in the 100, 220, and 440. Hugh Tannehill and Richard Devane took first and fourth places in the half mile. Roy Cooper, running the mile for the first time, took fourth place in the event. Tettlebach, Ray Savage and Larry Bryson placed one-two-three respectively in the two mile.

The Jackets dropped their final dual meet of the season to Auburn by a score of 96-30. One of the most exciting runs of the day saw Hugh Tannehill nose out Auburn's Ozmet in the 880 after trailing the first 750 yards. In the two mile Tettlebach was nosed out by the Tigers' Atkins. Tech's Mau finished in a three way tie for high jump honors with Jones and Hannigan of Auburn.
Tech still in the race.

RICHARD RALSTON

Ralston doesn't quite get over.

TONY DOWD
Woosley has a good dive in the making.

Bullard, Walker, Browne drown Captain Van Leer.

The Tech men opened the season slowly by losing to Duke 39 to 45. Bobby Browne led the Tech swimmers as he won both the 440 and 220 yard free styles. Gordon Hiles took first place in the 200 yard back stroke and Sammy Van Leer won the 150 yard individual medley.

After their loss the men of Tech finned their way to a victory over Kentucky 46 to 38. Following the Kentucky meet the Jackets met the University of North Carolina on home waters only to be ducked by a score of 52 to 32. This score indicated an improvement in the Tech men since North Carolina has a good team.

Next the Jacket men journeyed over to Athens Town to take on the University of Georgia but Reid Patterson still remained the big gun for the Bulldogs as the Techmen were trounced by a score of 52 to 32. As Patterson was continually helping Georgia to overcome Tech, Van Leer, Browne, Walker, and Bullard were doing all they could to prevent this swamping.

Getting back into the win column the Jackets sunk the Commodores of Vanderbilt by a score of 64 to 20 and prepared to meet the Longhorns of Texas A&M but lost the swimming match to the tune of 53 to 31. But again the teasippers of Emory were the recipients of a vengeful group as Tech emerged victor. Coach Lanoue’s boys were taking advantage of the teasippers as they paddled off and left the Emory boys on the short end.

Tech packed their swim suits and journeyed into Florida to take on Florida State and lost to the Seminoles 29 to 55. After this defeat they met the University of Florida swimmers and lost again.

Tech has the best chance they have ever had to better their Southeastern Conference standing next year with the returning of most of the team.
1954

Tech 39 . . . . . . . . . . . Florida 45

Guess who's side he's on.

Browne, Captain Van Leer.

Everybody gets off to a good start.
The Georgia Tech cross country team annexed the 1953 Southeastern Conference championship, winning over a field of representatives from seven other SEC schools. Tech placed with 51 points, Auburn second, Florida third, Alabama fourth and Tennessee fifth. The first five Tech finishers composed of Tannehill, Savage, Barrington, Orth and Powers, gave Tech its total of 51 points, and the meets.

The Georgia Tech Harriers started out with a 28-28 deadlock on Tech's home course. John Powers nosed out the Alabama man for tenth place which saved the day for Tech. After this tie the Tech men defeated the Maryville team and gained a very successful defeat over Tennessee after many lean years in their meets. This triumph left a lot of praise for the team from Coach Griffin. Tech continued to win the rest of the season hands down. This has been their greatest season in a long time.
The Georgia Tech tennis team, composed entirely of underclassmen, finished the 1953 season with a record of nine wins and seven defeats.

The Techmen started the season off in fine fashion by defeating Valdosta State 9-0 and went on to down Jacksonville Naval Air Station 6-3. The team then traveled to the University of Florida to lose its first match of the season 9-0.

Returning to a five match home stand, the Engineers promptly whipped the Georgia Bulldogs by an 8-1 score. In the remaining four matches of the series the Techmen defeated the Auburn Tigers 7-2, lost to the University of Indiana and Tulane by scores of 8-1 and 9-0 respectively. In the final game the Engineers came back to defeat Vanderbilt 6-3.

The Tech team then went on the road again, playing in Louisiana, Georgia and Tennessee. In Louisiana the Techmen lost to LSU and Tulane, both by scores of 9-0. The team came back to defeat Emory University 8-1, and overpowered Jacksonville Naval Air Station once again 6-3. In Knoxville the Vols took their first of two wins from the Yellow Jackets by a 6-2 score.

Returning home by way of Athens, Coach Bortell's boys managed to defeat the Bulldogs once again 7-2. The team then finished up the regular season on their home courts by defeating the University of Alabama 8-1 and dropping their final match to Tennessee 8-1.

The Jacket netmen then traveled to Tuscaloosa, Alabama, where they finished sixth in the Southeastern Conference Championships.

The photo shows members of the 1953 Georgia Tech tennis team.
The Yellow Jacket linkmen began practice with John Maddox, the only returnee from last season, and a good group of freshmen and upperclassmen, who came out to fill the gap left by departing seniors.

The won-lost record for the Jackets shows a 2-7 record for the year. This is not too bad since Coach H. E. Dennison, who doubles as the head of the I. M. Department, had a squad that was largely composed of men with no previous golfing experience. His first four men were composed of two freshmen, Ned Edge and Carter Terrell, and upperclassmen Lynwood Johnson and John Maddox.

Edge and Terrell shot very fine golf during the past campaign and are expected to supply the scoring punch for the 1954 squad.
'54 GYM

The Georgia Tech gym team resumed competition by opening the season with the gymnasts of the Naval Academy and lost by a score of 73 to 23 with all the team members getting points. After this meet they journeyed over to the Military Academy to lose again but they took in more of the points for themselves.

After suffering a defeat at the hands of North Carolina they met the Seminoles of Florida State, who are the kings in this neck of the woods. Some of the Seminoles' ability must have been catching because the Tech team handed the Dukesters a good defeat by a score of 66 to 45.

The outlook of the future is hopeful because of the number of sophomores and juniors on the team and the rising interest.
Intramural basketball starts off with a big jump.
INTRAMURAL FOOTBALL

Competition was strong as 35 teams battled for honors on the gridiron. Once more football proved to be one of the major intramural sports as both fraternity and independent squads fought a battle to the finish for the 1953 school championship.

The Beta Theta Pi team captured the Fraternity Championship as they downed the Sigma Alpha Epsilon’s in the finals of a round-robin playoff. The Sigma Phi Epsilon and the Tau Epsilon Phi teams placed a close third and fourth, respectively, in the Greek column. All squads displayed a great deal of power and teamwork as interest was greater than ever before in the sport.

While the Beta’s were quenching competition on all sides, the Navy team was doing the same in the Independent Leagues. The swabbies won the Independent Crown and the right to meet the Beta’s for the school championship.

In the playoff game between the Beta’s and the Navy, the Beta’s played much of the game within the ten yard line of Navy, although they scored only once. Long passes from Graham to John Burson accounted for most of the Beta’s midfield yardage. Play throughout the game was marked by slipping and stumbling in the mud. The Beta’s nevertheless emerged victorious and capped the school championship.
Bobby Adams of Beta Theta Pi Fraternity took top individual honors in the Intramural Cross Country Meet for the second straight year. Adams ran in the same fine form as he led the pack all the way. The course is the same old rough way that the Bulldog Club usually picks. Also the Fraternity champion was another repeat as the Sigma Chi's won the team championship and dominated the individual competition by placing two of their men among the five receiving medals. Although there are but five top places, the turnout is always enormous with guys dropping out all along the way. Second place was won by Jack Horton for ISO and third and fourth places were won by Ralph Heisel and Don Brown, both of Sigma Chi Fraternity. Dick Davis of Phi Delta Theta was fifth man.

Alpha Tau Omega's four-man team took second place honors, although they did not have an individual man in the top five. In third place were Beta Theta Pi and Sigma Alpha Epsilon who both wound up with an equal number of points.
The 1954 Intramural Basketball program got under way with the school crown belonging to anyone who could have the most men capable of playing since no one was in condition. Since the number of games to be played and the number of teams that were entered were many, the space in the gym had to be allotted and each team had to limit its practice to a certain time. The Kappa Alphas emerged the champions of the White League as the Sigma Phi Epsilonons ruled the Gold League. The Tornado League was bossed by the Tau Epsilon Phi and the Navy A team were the independent champions. These teams entered a playoff tournament for the school championship and the Kappa Alphas were the school champs.

This year the basketball games were better refereed and the teams more evenly matched. No team made a clean sweep of the games in its league. The refereeing, which has been the main objection of the players, was improved so much that basketball was fun for everyone.
The 1953 intramural swimming meet was held at the Tech swimming pool with Alpha Tau Omega fraternity winning the meet by amassing 40 points to 37 for second place Phi Delta Theta. In third place in team play was Sigma Chi with 31; Sigma Alpha Epsilon won fifth place with 25 points. For the first time in several years, an independent unit placed in the first five. The Wesley Foundation won fourth place with 26 points. This was an outstanding meet due to the keen competition. The unusual thing is that the winner didn’t take a first place but received enough second and third places to come out on top.

In the 200 Yard Medley the Wesley Foundation, with its team composed of G. Rozelle, Oertel J. Rozelle, and Bierle, was the winner as Stirling of Phi Delta Theta was the best diver in the participants. The plunge which is the test of a man’s ability to hold his breath and glide on the surface of the water was taken by Furbish who was an Independent. The Tug of War was won by the Sigma Chi’s. Phi Delta Theta won the 200 yard Free Style Relay as Harvey of the Chi Phi took the Treading with Wrights.
INTRAMURAL SOFTBALL

The Alpha Tau Omega fraternity captured the intramural softball championship for the second straight year by defeating the Newman Club 3-0 in a hard fought pitchers battle.

The ATO's were led by the superb hurling of Bob Sharp, who proved to be their mainstay in the tournament as well as throughout the entire season.

This year's intramural play was highlighted by a staff of top flight pitchers and excellent teams from each league.

The six top fraternity teams that fought it out in the playoffs for the trophy were Alpha Tau Omega and Sigma Chi from the Gold league; Beta Theta Pi and Sigma Phi Epsilon from the White; Alpha Epsilon Pi and Phi Kappa Tau from the Tornado; and the Newman Club representing the independents. The playoffs turned into a hard fought race between the ATO's and the Sigma Chi's. Sigma Chi suffered their only defeat at the hands of the ATO's, while marking up four victories. ATO posted a 5-0 record for the playoffs.

Other fraternities and their records for the post season play were Phi Kappa Tau with a 3-2 record and Beta Theta Pi, Alpha Epsilon Pi and Sigma Phi Epsilon with identical records of 1-4.

The independent championship developed into a three way battle between the Newman Club, Latin American Club and Cloudman Dormitory. The Newman Club showed their superiority in winning over the other two teams.

INTRAMURAL GYM

The 1954 Intramural Gym Meet was staged during the Winter Quarter with many of the campus organizations represented. The amateur gymnasts competed with the spirit of champions, if not the ability, and Coach Welser called the meet one of the most successful.

The gym meet was completed as Alpha Tau Omega emerged the victor for a repeat of last year's performance. The victor took three first place slots—Ivey the highbar; Randle, tumbling; Jordan, novel. These firsts were aided by the good show in seconds and thirds that enabled the ATO's to collect 66 points while the nearest competitor, Sigma Nu, received 24 points.

The Rope Climb was won by Keen, the parallels were won by Turner and Therrel was victorious in the Rings.
INTRAMURAL TRACK

Grant Field was the scene of the annual intramural track meet, held on Saturday, May 16. When it was all over SAE was on top, compiling a total of 40 points. Others in order were as follows: ATO, 27 points; Delta Tau Delta, 17 points; and Sigma Chi, 16 3/5 points.

For the winners it was Joe Hall who led the way, winning the 100 yard dash in 10.45 seconds and the 220 in 23.5 seconds. Others placing in the 100 were Anderson of Delta Tau Delta. In the 220 Mike Leeper of Sigma Chi ran Joe a close second.

In the high jump Pete Silas of Phi Delta Theta took first place with a jump of 5 ft. 7 in., with Davis of SAE second. Mott Morrison of SAE won the 440 in 55.6 seconds followed by Harrington at ATO. The 880 yard run saw a close race between Cheek of Kappa Sigma and Jackson of ATO, with Cheek finally winning in 2:13.2. SAE's Cook won the mile in 5:05.6, with Cagle of Delta Tau Delta second.

Joel Cohen of Tau Epsilon Pi won the broad jump with a leap of 20 ft. 5 in. The shot put was won by White of Delta Tau Delta with a throw of 43 feet.

In the relays ATO took two of the three—the hurdles relay, and the 440 relay—with SAE coming in second in both. SAE won the 880 relay with ATO runner-up.

INTRAMURAL TENNIS

Hardly an afternoon went by during the Spring Quarter of 1953 without several of the ninety-odd Intramural contestants vying for honors on the Peter's Park Courts. Competition as keen as a razor blade among the sixteen teams, furnished plenty of fireworks as the Sigma Chi's were victorious.

The tournament wound up with Neal holding the honors for the school championship for the second straight year. Play was hard and fast all during the season with many of the favorites being tumbled from the ranks as play progressed.

Sigma Chi won first place, sending a defeated Delta Tau Delta team into second. Chi Phi staged a final rally to edge the Beta's out of the third position.
The SAE's accomplished the task of winning the Gold League by winning 16 games of their contest and losing only 2. The Phi Gamma Delta's were champions in their league by winning 15 out of their 18 games as Delta Sigma Phi was winning all but 4 of the games they played in their league.

Sanders of the SAE's was top bowler of the leagues with an average of 110 pins falling per game. This was, as it can be seen, their biggest asset toward winning the championship.

INTRAMURAL GOLF

The intramural golf crown was decided on the links of North Fulton Park. The Sigma Chi's took the Fraternity Crown while Brad Bennett of Delta Tau Delta was the winner of the School Crown by virtue of winning the championship flight. The determining of the flight that at entry is to be made by a qualifying round that is shot sometime before the tourney is started.

After a few rounds of challenging matches, W. Montgomery emerged the winner of the first flight. Montgomery was a member of the Chi Phi Golf Team. Bob Sytz of Alpha Tau Omega won the second flight and Graham of Beta Theta Pi finished off at the top of flight three. The winning Sigma Chi's were represented by Fiveash who was the winner of the fourth flight. Jimmerson won the fifth flight.

INTRAMURAL VOLLEYBALL

Volleyball was so close that the school had sent the notices of the play-offs to the SAE's, but in the final games the ATO's finished the winners by beating the SAE's in the Gold League and going on to win the school championship.

Phi Kappa Sigma of the Tornado League won second in the school standings. Delta Tau Delta won the chance to participate in the play-offs by winning the White League while the Pan American Club represented the Independents.

The volleyball champion is determined in league play by having the teams play each other in a round-robin. The winner is the one with the best record. This is also carried into the play-off for the school championship with the best record winning.

INTRAMURAL BOWLING

The popularity of intramural bowling has increased with great intensity. The Sigma Alpha Epsilon's were the school champions as a result of a play-off which gave Phi Gamma Delta second place and Delta Sigma Phi third place.
Paddleball in its second year is becoming more and more enjoyed and participated in. Play was feverish as a large number of two-man teams turned out to try their skill at this challenging sport. The great number of entries shows the arising interest that everyone is beginning to show in paddleball. It looked as if no one could wait for the Physical Training Classes to get over before they were very deeply absorbed in playing the matches that were scheduled. When all but the shouting was over, Souza and Grella of the Newman Club were the school champions after defeating Burchett and Teirney of Phi Sigma Kappa in a hard-fought battle. To gain the match for the championship, Souza and Grella had to defeat Travis and Davis of Alpha Tau Omega and Burchett and Teirney beat Stahl and Willis of the Geechee Club.

These matches and the ones that preceded them are not to be taken too lightly since the sharpness of the players and the play made the winning hard.
