Delegates Attend Statewide Student Conference to Fight For State Schools' Rating

Dr. William Evans, National President of ACS, Speaks at H
Atlanta and Georgia Tech will be honored in having Dr. William Lloyd Evans, prominent chemist, speak here on Tuesday afternoon, November 11. Chemistry and chemical engineering students will hear him lecture at the large lecture room in the Chemistry Building.

President of A. C. S.

Dr. Evans is President of American Chemical Society, the largest organization of its kind in the world. He also holds the position of Professor of Chemistry at Ohio State University, and has contributed much to the advancement of research chemistry.

American Chemical Society

The American Chemical Society is represented in every college and chemical industry of any consequence in all parts of the United States. Each (Continued on Page 4)

Scabbard and Blade Initiates Fifteen

Military Society Holds Banquet in Danforth Hall

Company M, 2nd Regiment, Scabbard and Blade formally initiated 15 new members from the Senior class on Thursday, October 30. This formal initiation was preceded by a dinner at the O.K. Y.M.C.A. The dinner was under the auspices of the Reserve Officers, Atlanta, District, was the principal speaker.

The list included university members, former members, and active members present included: Dr. M. L. Brittain, Major R. L. Watkins, Major W. J. Dickey, Lieutenant Colonel C. C. (Continued on Page 8)

Pi D. E. Holds Fashion Show Saturday at Tech Y. M. C. A.

First Prize will be 'Station Wagon Jacket'

Other Prizes Include Hat and Pair of Shoes

The Georgia Tech chapter of the Pi Delta Epsilon, national journalistic fraternity, will hold its Fall Fashion Show in the Tech Y. M. C. A. building, from 11 a.m. to 2 p.m., this Saturday, November 1. Displays by ten of Atlanta's leading merchants will be given at ten of Atlanta's leading merchants will be featured.

Tech, Agnes Scott Glee Clubs Will Combine to Present Carol Program

Singers Contemplate Tour to Washington

The first public appearance will be made by the new Carol Program, with the Agnes Scott Glee Club. Each group will sing several numbers, and some other numbers will be worked up. If possible, one performance will be given at Agnes Scott and one at Tech.

In the spring the Glee Club plans to present the Carol Program in concert with the Agnes Scott Glee Club. Each group, under the able direction of Walter Herbert, intends to work up some of Fred Waring's more popular arrangements.

Sincerely,

JIM WRIGHT
President, Anak Society

LETTER FROM ANAK

Oct. 29, 1941

To Students of Ga. Tech:

Due to numerous fraternity activities and various benefits that are given over the week-end, the Anak Society finds it practical to determine the Saturday night dances after the football games.

We wish to thank those students who have supported these dances and our plans for the coming year.

Georgia School of Technology

A Technical School With a National Reputation

THE GEORGIA SCHOOL OF TECHNOLOGY offers to young men of ability and ambition a training which will fit them for positions of responsibility and power. An admission to the school is the record which its alumni are making in the productive work of the world. Georgia Tech graduates succeed because they have been trained both in thought scientifically and to work efficiently.

Courses in Civil, Electrical, Mechanical, Textile, General, Ceramic, Chemical, Aeronautical, Architectural and Public Health Engineering, Architecture, Chemistry, and Industrial Management

Coast Artillery, Signal Corps, Navy, Infantry, and Ordnance Clubs of the R. O. T. C.

For Further Information Address

THE REGISTRAR

GEORGIA SCHOOL OF TECHNOLOGY

ATLANTA, GA.
ALPHA TAU OMEGA

The ATO’s gave a Halloween party last Saturday evening complete with winners and apple cider. A private dance followed refreshments.

BETA THETA PI

Saturday night after the Duke game the Beta’s will give a house dance from nine to twelve featuring music by the Kappa Aces.

CHI PHI

As has been their custom, the Chi Phi’s are giving a series of tea dances from six to eight after all home games.

CHI PSI

The Chi Psi’s plan an informal house dance Saturday evening.

KAPPA ALPH

The Kappa’s will continue their series of buffet suppers after the home games.

KAPPA SIGMA

Kappa Sigma plans an informal house dance after the game Saturday night.

PHI GAMMA DELTA

The Phi Gam’s are entertaining Saturday evening with a house dance after the Duke game.

SIGMA CHI

The Sigma Chi’s are entertaining with a buffet supper and tea dance at their house.

SIGMA PHI EPSILON

The pledges of SPE are entertaining their big brothers Saturday night with a Halloween party. Last Saturday night the SPE’s gave a buffet supper following by a house dance.

THETA CHI

The Theta Chi’s are entertaining with a buffet supper and house dance after the Duke game. A buffet supper was given last Saturday after the Auburn game.

TAU EPSILON PHI

The TEP’s are entertaining at an open house and Halloween party Saturday night.

SIGMA NU

The Sigma Nu’s gave a house dance in honor of their Alpha brothers last Saturday night. Sunday afternoon a homecoming was given in honor of the alumni.

ENGINEER

The editorial staff of the Georgia Tech Engineer will meet in Room 209 of the Drawing Building at 5:00 p.m. Wednesday, November 5, 1941. Articles for the January issue will be discussed and assigned.

Co-ed Forum Will Be Held Sunday Afternoon at 'Y'

Professor J. R. McDaniell, director of the Georgia Tech Co-operative department, will speak on "What the Government Is Doing and How to Do for National Defense" at the Sunday Co-ed Forum at the Tech Y. Professor McDaniell was with the Secret Service in the first World War and is now district representative of the OPM.

This co-ed forum is open to Tech students, their dates and friends; members of the faculty; students from other colleges; and young men and women of the city. The program will start at 4 o'clock and refreshments will be served before the speaker presents his subject.

EVANS SPEAKS

(Continued from Page 1)

As a state consists of a section, corresponding to a chapter, of the national organization, Dr. Waddle, of the chemistry department, in this year's president of the Georgia Section.

Eloquent Speaker

Last year Dr. Evans visited the Georgia Section, presenting a very interesting lecture concerning a recently developed phase of chemistry. A large crowd attended because Dr. Evans is known to be capable of speaking not only to a technical group, but also of making his lectures interesting to the person who has a very slim knowledge of chemistry.

Skull and Key Takes
In Sixteen New Men

Initiation Starts Today
For Newly Elected Sophs

This week-end sixteen new men will be initiated into the Skull and Key society. The initiation by Davis Fitzgerald, president, announced, will extend from Friday morning through Saturday night, consisting of the initiation familiar to the upperclassmen. Chosen as outstanding sophomores from fourteen fraternities and one non-frat. man, the new members are:

Bill Young, Beta Theta Pi, Thomas McMurray, Pi Kappa Phi, Bill Leener, Phi Epsilon Pi, Davis Hornbrook, S.P.E., Millard Haynes, Phi Delta Theta, Harold Lyons, Delta Sigma Phi,

Bill Shepard, K.A. Horace Raymond, Phi Gamma Delta, Kuyk Shepard, Sigma Nu, Enrico Fraser, Pi Kappa Alpha, Jonny Hicks, Sigma Alpha Epsilon, Mosely Collins, ATO, Bill Dartin, Chi Phi, Harry Morrow, Delta Tau Delta, Robert Beard, Non-Frat.

Pamphlet of Revised Council Constitution Ready for Students

Last spring just before school closed, the Student Council concluded a thorough and extensive revision of the Constitution of the Student Council of the Georgia School of Technology. A few days ago several hundred pamphlets were printed containing the new constitution. These are kept in Dean W. V. Skiles' office, and can be obtained by any student by asking his secretary for a copy.

This year's "T" book contains a complete copy of the constitution so every freshman should have one. The upperclassmen will have to obtain theirs from the Dean's office.

Halloween is expressed in many ways, but we sure do like this expression. It's the best picture of an apple we've seen in a long time.

'SLOPPY JOE'

(Continued From Page 1)
metamorphosis from "slick to slouch" was automatic with the advent of copyright.

Don'ts
Some of the most emphasized "don'ts" are enumerated here for your benefit.

Don't wear sandals to school with too many "don'ts," dress shirt, "GA. Tech A. A." shirts to class, they're for athletics; wearing overalls to class until you're dirty and stiff that they have to be bent over in the laundry is another emphasized "don't," and finally don't go around the classes (in the bolder months) with insufficient clothes on—there are ladies on the campus at all times.

15 Minutes A Day
New—thet fact emphasized by both faculty and the young ladies was that a student who got up fifteen minutes earlier and dressed for class in a more neat and respectable manner did far superior work in his classes throughout the day. This is not merely the fanciful idea of some style-crazy oldsters; these facts have been scientifically tested and proven to be correct. Understand that we are not trying to tell you, Tech student, that you are dirty and have no right sense of decent dress; we are merely saying of college wear at the "Y" Saturday before last spring just before school closed, the Student Council concluded a thorough and extensive revision of the Constitution of the Student Council of the Georgia School of Technology. Unbeaten Vandy Is King of SEC Teams

Major Conference Threats are LSU, 'Bama; Wave Still Deadly

Going into the second half of the season we find the conference gridiron situation about as muddled as a dozen eggs in an electric fan; all pre-season favorites have been trounced, and but one conference member boasts a clean slate.

SEC Giants Battle

The top SEC battle this week is a natural, featuring one of these "favorites" and the lone unbeaten outfit, with Tulane teetering against Vandy in Nashville. Potentially a national champion, blessed with a great line, an array of All-Americans caliber backs, chains of reserves, and a versatile attack, it's a mystery how the Wave manages to kick ball games away. Toughest when bouncing back (ask North Carolina), Vanderbilt's one that gets them on the rebound this time and the Commodores had best be on their toes. However, Vandy will be in a muddled as a dozen eggs in an array of the season we find the conference.

Unbeaten Vandy Is Bouncing Back (ask North Carolina), Kick Ball Games Away. Toughest When Bouncing Back (ask North Carolina), Vanderbilt Still Deadly with a great line, an array of All-American caliber backs, and a versatile attack, it's a mystery how the Wave manages to kick ball games away. Toughest when bouncing back (ask North Carolina), Vanderbilt's one that gets them on the rebound this time and the Commodores had best be on their toes. Varsity Rifle Team Will Open Practice Soon for '42 Season

The Tech Rifle Team will hold its first practice session against two weeks before the Christmas holidays. This year's team will be the first to use the new indoor rifle range which will be completed by November 9. The Bull's Eye Artists have a chance to make a pretty good showing this year as only five men are left from last year's squad. Returning varsity members are S. W. Watson, J. G. Kearney, E. P. Owen, R. H. Bobbitt, J. F. Richards, J. A. Feagles, E. W. Feagles, E. S. Love, C. Edelblut, and W. E. Woodward. Last fall's imposing list of names scrawls away potential sharpshooters, it must be remembered that most matches are conducted with fifteen men on each team, and there are three squads — the varsity, the R.O.T.C., and the freshmen. The schedule has not been completed as yet, matches have been arranged with Niagara, Idaho, Mary College; and Nelson Abell, a soph who has a chance to beat out Bob Gantt, a husky sophomore, and Fred Heil, who last year was voted the leading blocker in the Southern conference, rounds out the Blue Devil first team.

Jackets Seek Upset Of Powerful Blue Devils

Duke university's undefeated football team will place its record on the line for the sixth time this season when it invades Atlanta Saturday for its traditional battle with Georgia Tech.

This week's game will be the third in four starts that the Blue Devils have played away from home, and in addition to having to face an ever-powerful opponent, they will be playing under the handicap of being one man on foreign territory. But the Devils are determined that no blot shall be placed on their record by the Yellow Jackets. The past week has seen them undergo some of the most strenuous pre-game preparation of the season.

Lack of Reserves

Hamppered by the loss of two of their first string ends, Luther Dempsey and Al Passerry, by virtue of injuries, Coach Wallace Wade will have little to count on catching Mississippi in Southern sportdom annals. Having met alone Georgia and Auburn yearly throw a classic that's always a Big Game by virtue of its tradition; the pressure's on here and there's seldom an odds-on favorite.

CUSL Favor Over Vols

In another Homecoming skirmish, rapidly climbing L. S. U., entertainers Tennessee in Baton Rouge. The Bayou Tigers had a time of it last week with Florida; the Gators even contested the territory, the natives are all het-up over this "favorites" and the lone unbeaten outfit, with Tulane teetering against Vandy in Nashville. Potentially a national champion, blessed with a great line, an array of All-American caliber backs, and a versatile attack, it's a mystery how the Wave manages to kick ball games away. Toughest when bouncing back (ask North Carolina), Vanderbilt's one that gets them on the rebound this time and the Commodores had best be on their toes. Inspired Tech Squad Crushes Auburn, 28-14

Bosch Supplies Key to Tech Offense As Tigers Fumble

A squad of Auburn Tigers keenly felt the sting of the running and passing attacks of the Yellow Jacket swarm when they were dealt out a 28 to 14 defeat at Grant Field last Saturday.

Little Johnny Bosch, completely recovered from his knee injury, led his teammates to victory with a display of skill and determination that often sent the spectators screaming to their feet.

Team Fights for Victory

During a slow first half, in which penalties were plentiful, neither team showed any distinct advantage, and the Engineers were able to cross the Engineer's twenty yard line but once. George Webb gathered in one of Bosch's passes and raced sixty yards for the Engineers' second score.

In the second quarter of the game both teams showed signs of a second wind and roared back into the campaign, by that same 6-0 count. The '37 and '39 contests were probably the most thrilling spectacles staged at Grant Field.

A valiant '37 Tech team fought themselves into the lead twice, but a fumble in the last seconds pared the way to a 28-14 Duke victory. The Orange Bowl Jackets lost a 7-6 heartbreaker to the Blue Devils when a last-minute field goal attempt fell inches short of the goal

Can Tech be coming to life? Last week the lust for touchdowns reappeared in a Jackets eleven. The heralded attack of speedy backs behind a strong line finally paid off in an amazing display of that once-lacking scoring punch. The question of the moment is whether or not the Tech offense will continue in this week's contest against the powerful Duke invaders.

As in past years, Tech is again the underdog. But in past years, Tech has surprised the football world with some startling upsets. Grassland Rice has reported that the only team standing a chance to defeat the Jackets is Georgia Tech. If Tech's forward wall, which has performed brilliantly to date, can stop the dreaded Duke running attack, led by Lach, Siegfried & Co., Coach Wade may be heading for another nightmare in Atlanta.

Jacket B'Team Will Play Outside Games

Opponents Scheduled From Army and Navy Stations

This year for the first time in Tech's current football history, the "B" team will play outside opponents. A recent Southern Conference ruling now permits college "B" teams to engage in competition with the squads of our armed forces. The experience gained by the red-shirted boys should benefit Tech's future teams.

Largely made of the shaki-clad boys are expected to attend the fracases.

The first scheduled game is with the sailors of the Naval Air Station at Albany, Georgia. On November 29 the Red Devils face the 29th Infantry football squad at Fort Benning, Georgia. As yet there are the only scheduled games.

The score, 28 to 14, meant that Tech went into the home stretch with four games left against the Sugar Bowl Bears, the Fighting Tigers of Florida, the Orange Bowl Jackets, and the Blue Devils of Duke. The Jackets were the only ones that stood between Tech and the championship.

Auburn ran and passed in an admirable fashion. Pat McIlhag's educated toe ably helped in keeping the Tigers at a respectable distance. Elbeties twisted and turned his way over many yards of turf. The whole forward wall was determined not to let those Tigers through.

Tech Representative — Walt Penney

CAMPUS BRIEFS

DOMOTY TRACK MEET
Tonight at seven o'clock on Grant Field, the annual freshman track meet and pep meeting will be held. Sponsored by the Yellow Jacket Club, the meet will feature inter-dormitory competition. Guest speakers will be present, and prizes of cakes will be given to the winners of the various races. The following events will be held: the 100-yard dash, the 220-yard dash, the 440-yard relay, a sack race, and a three-legged race. All freshmen are urged to be present, and support their dormitory.

ETA KAPPA NU
All Sophomores, Pre-Junior, and Junior Electrical Engineering students are invited to attend an informal smoker Friday night, October 31, at 7:00 p.m. at the new ODK Banquet Hall. This smoker is sponsored by E K N, newly organized by Dick Clarson, and Pat Murphy. Maddox and Welburn were leading in the elimination tournament Tuesday afternoon, neither having lost a match.

TECH-SAVANNAH CLUB
There will be a meeting of the Tech-Savannah Club at 5 p.m., October 31, at the "Y." Hereafter, meetings will be held on the 1st and 15th of the month. No further notices will be published or posted.

RICHARD ALFARO
Former President of Panama
Ricardo Alfaro, Ex-Head Of Panama, Will Speak
The unpublicized Latin American view of hemisphere politics will come to light at Agnes Scott Wednesday evening, November 5, when Ricardo Alfaro, former president of Panama, speaks on "Hemisphere Solidarity and Defense."

Recognized Authority
Agnes Scott's second lecturer of the season, Alfaro will appear in Presser Hall at 8:30 under the auspices of the Student Lecture Association, head by Miss Mary Louise Palmour. Alfaro is a recognized authority on Pan-American relations and on international law, having served Panama as vice-president and president of the Republic, minister plenipotentiary to the United States, premier of the cabinet, member of the United States-Panama Joint Land Committee, Counselor of the Panamalegation in Washington, and assistant secretary of foreign affairs.

Prominent Diplomat
With Cordell Hull, he drafted the famous Panama Canal treaty in his 1923-36 term in Washington as minister. Introduced by Hull, he spoke last spring at the annual meeting of the American Society of International Law. He has decorations from six nations for his work in the diplomatic field.

Fifty-cent tickets to the lecture will be on sale at the Emory Alumni Of­ fice, the Tech library, and the Agnes Scott bookstore.
