The Georgia Tech fraternities provide the greatest outlet for social life on the campus. Whether it be a formal dance or a week-night bull session, the fraternities provide that 'home away from home' that is so essential to the full development of manhood. However, fraternities are not entirely based on a social foundation, as the spirit of brotherhood, the feeling of belonging, the feeling of being in a group where one's efforts, large or small, are appreciated and the development of the man, are remembered long after the din of the party has faded away.
Comprising forty per cent of the student body, the Tech fraternities provide the greatest social outlet on the campus. One of the better forms of social life among fraternities is the campus house party. Here the Sigma Alpha Epsilon fall formal hits the limelight as girls from far and near take over the
house. Friday night is an informal party at the house and Saturday night, the formal dance. Church on Sunday and then that sad good-bye at the bus station round out three wonderful, unforgettable days.
Guiding the I. F. C. as President is Bill Meeker.

The Georgia Tech Interfraternity Council under the capable leadership of President Bill Meeker and Assistant Dean of Students John J. Pershing, has experienced one of its most valuable years of service this year. Composed of representatives of 27 national fraternities with the recent addition of Delta Upsilon, this organization has the job of regulating, expanding, and coordinating the activities of its member fraternities.

The I. F. C. has been a leading factor in the promotion of athletic, scholastic, welfare, and social events. The promotion of welfare work is best illustrated by all fraternities entering wholeheartedly behind the Empty Stocking Fund Drive conducted by the Junior Chamber of Commerce and the annual Tech Blood Drive which netted 673 pints for the American Red Cross. The fraternity receiving the most points in a year for participating in and winning I. F. C.-sponsored events is awarded the I. F. C. trophy. This trophy is the highest award a fraternity may receive.

The highlight for the I. F. C. social calendar is the annual Greek Week. This year it started on Easter Sunday, the 21st of April, and went to the following Sunday. The week featured events such as an Easter Sunday service at the Alexander Memorial, fraternity discussion groups, and important speeches. The highlight of the week-end was the informal dance, concert, and the formal dance.

The I. F. C. officers for '56-'57 are presented by Dean Pershing.
The most important event in the '56-'57 school year for the AEPi's was the moving into their new house on Techwood and Third. Designed by Paul Hefferman of the Tech Architectural Department, this house is of the latest design and one of the finest on campus. . . . This year the Zeta Chapter was honored by the naming of their Sweetheart—Betsy Holland—as national AEPi Sweetheart. . . . The outstanding social event of the year for the Zeta men is the Regional Conclave held on February 15th and 16th. Other important social events are the annual pinning dance and the Sweetheart's pinning affair. . . . Under the leadership of Carol Freedenthal twenty new men were pledged this year. These and others ably represent the AEPi's in campus organizations such as Drama Tech, Phi Eta Sigma, Tau Beta Pi, Phi Kappa Phi and many others.
A group of AEpi's watch the future house take shape.

Since it received its charter in 1888 and became the first fraternal brotherhood to be set up on the Georgia Tech campus, the Beta Iota Chapter of Alpha Tau Omega has been recognized among the foremost of the fraternities on the campus. The past year proved to be no exception. The ATO's started the year with a great rush which resulted in the largest pledge class around. . . Two house parties, a spring formal, a senior banquet, and many dances highlighted the social calendar. Excellent intramural participation expressed the ATO's will stay on top. . . . A few of the brothers seen "Wheeling" on the hill were Bobo Davis, ANAK member, editor of the Engineer, and WSF scholarship fund recipient; Ronnie Hanna, ANAK member and Triangle Club president; Eddie McDowell, head cheerleader and Student Council representative; and Dick Whitehead, Army R. O. T. C. cadet colonel and member of Tau Beta Pi.

Leading the Beta Theta Pi are Harry Hazlett, Treasurer; Ron Jeffries, Vice President; Dewey Thornton, Secretary; and G. B. Espy, President.

Bo Stokes and the chapter’s favorite girl, its housemother.

The proud occupants of “Tara,” the first domain on the campus to be built as a fraternity house, celebrated the chapter’s fortieth birthday in good fashion. . . . Outstanding campus leaders were a dime a dozen as G. B. Espy represented the Betas in ANAK and the Student Council while guiding the Rambler through its first year; Phi Eta Sigs included C. S. Johnson, Adair Mellichamp, R. C. Traylor, J. B. Tune, and Red Rempe; members of Tau Beta Pi were Johnson, Espy, and Traylor; and Technique staff managers were J. R. Martin, Jim Roberts, C. Strickland, Hal Wightman, and John Rittlemeyer. Auburn Paulk presided as president of the Senior Class, and along with Espy, he and Strickland were Student Council representatives. . . . Concerning the social side of life, the fall, winter and spring house parties were big events. Climaxing the winter quarter was the Beta Sweetheart Ball, at which the choice of the red-blooded Betas was revealed.

This year’s was a great one for Omega Chapter of Chi Phi, which is an outstanding social fraternity on campus. The first fraternity to own its house, the present house at 720 Fowler, saw a superior brand of enthusiasm, which left its mark during the Homecoming festivities; a giant replica of Elvis Presley easily took Homecoming display honors. . . . Not satisfied with their many activities within the brotherhood, Chi Phi’s took over responsible positions throughout the campus organizations. This year’s president of Presbyterian Student Center was Fred Ware, who held the office of Business Manager on the Blue Print; Paul Roberts repeated as a class president, this time representing the sophomores; Roy McCrorey served as president of the Bulldog Club. . . . Although placing emphasis on scholarship, the Chi Phi’s do not rate low on the social scale, for their parties were among the finest ever experienced by the chapter.

Alpha Iota Delta, at Tech since 1923, pledged ten men as a result of fall rushing with the help of their own combo, the Ramblers. Always a terror in intramural sports, this year proved no exception with the Purple and Gold raiders winning the title in the Yellow Jacket Intramural Football League and with their President, Chip Whitley, being named to the all-star intramural team. As Sweetheart, the Chi Psi men chose Patsy Harrell whose smiling face and beaming personality helped tremendously during rushing. The outstanding social events are Founders Day on May 24, and the Sweetheart Formal May 10. The most valuable addition to the Chi Psi Lodge is their housemother, Mrs. F. L. Dyal. Under her constant and superb guidance, the Lodge has taken on a new air of hominess not to mention the major work she's done in the kitchen.

The Delta Sigs started the year off with a bang by pledging 35 men. Under the leadership of Fred Carlsen, and with one of their largest and best pledge classes in history, the Alpha Gamma Chapter of Delta Sigma Phi has enjoyed one of their finest years. The highlight of their social season is the annual Carnation Ball in December and the Shipwreck Ball in the spring quarter. Also during the spring quarter the Sweetheart is named. She is Alice Cumberworth. Among the campus leaders that call the Delta Sig house their home are Fred Burton, Bill Maulding, Don Hughes, John Lee, and Jim Russ. Among the many clubs represented are the departmental societies, the Co-op honorary society, Pi Tau Sigma, Phi Kappa Phi, Tau Beta Phi and many others. Also there are men on the Tech athletic teams.

Other clubs represented are Phi Eta Sigma, Pi Kappa Phi, Tau Beta Pi, and many others. . . . On the lighter side of life are the Delt parties, of which the Rainbow Ball is the most prominent. Held at the East Lake Country Club, the evening consisted of a dance and the naming of the new Sweetheart—Mikel Brown. Another of the fine assets of the Dels is their housemother Mrs. Jane Wilson.

The southern gentlemen of Kappa Alpha celebrated another year in great style. After a very productive rush season, the KA's declared open season on the social calendar. A Christmas Party and Winter Formal highlighted the fall and winter seasons, but the climax of the social year was the well-known Old South Ball, which reflected the best in southern tradition. Proud of the all-around character of its members, Kappa Alpha recognized men in a wide variety of campus organizations and honoraries. Outstanding seniors included Don Talbot, a member of ODK, Phi Eta Sigma, and Wing Commander, Air Force R.O.T.C.; Herb Sherrow, Vice President of the Senior Class and Band Captain; and Mac Shuessler, President of the Ramblin' Reck Club, and a member of Phi Kappa Phi, Tau Beta Pi, and Alpha Pi Mu. These three were represented, also, in Who's Who in American Colleges and Universities.

Kappa Sigma, placing high in I. F. C. points, again found itself among the upper crust of the Tech fraternities. . . . Highlights of the social season were the traditional Black and White Formal and the Founder’s Day celebration. Not content to vie for the party champions of the campus, however, members of the campus’ third oldest fraternity filled positions in nearly every organization and honorary. Raymond Baker, the Kappa Sig prexy, was vice president of the Student Council, a member of ANAK, ODK, and Kusene. David Jeffery was secretary of A. I. Ch. E.; Robert Parks, corresponding secretary of Alpha Phi Mu; and Almont Pirce, secretary of Kappa Kappa Psi. The Bulldog Club presidency fell to Jack Schmidt, a member of the Student Lecture and Entertainment Committee, and a staff editor of the Rambler. Holding membership in Phi Eta Sigma were David Jeffery, Mickey O’Donnell, and Glenn Smith.

Founded at Tech in 1942, the Beta Kappa Chapter of Lambda Chi Alpha has continually worked to improve scholarship and campus activity interest. . . . They have men in the departmental societies, publications, and Y. M. C. A. clubs. A fine example of interest in college activities is the Lambda Chi interest in intramural sports. They won the basketball championship, and tied for the football title. . . . Another important achievement is that they were number two in scholarship for the fall quarter. . . . Their social calendar does not collapse for lack of interest either. Among their many social events are the rush parties, Founder’s Day, Christmas Party for Needy Children, and the Crescent Ball. The outstanding social event is the Crescent Ball held in the first of March at the Standard Club. Named Sweetheart at the dance was Vernette Bliss.

The Phi Delts for the past several years have been known as a fraternity interested in all phases of campus life. Included are intramural sports sponsored by the I. F. C., charity work, and campus organizations. The intramural activities that Phi Delts won this year are the paddleball championship, the swimming meet, and the bridge tournament. To illustrate their interest in campus organizations they boast of Henry Rowland, Wade Mitchell, Dickie Madison, and Jean Mori who represent their fraternity well in virtually every organization, and honorary on campus. A few of those represented are ODK, ANAK, Koseme, W. S. F., Y. M. C. A. cabinet, and many others. . . . Another aspect of college life that the Phi Delts are interested in is social. Their main events are the Winter Formal in February, and the Sweetheart Ball in the Spring Quarter. Named at last year’s Sweetheart Ball as this year’s Sweetheart is Miss Sally Neck.

Phi Epsilon Pi officers are Erwin Sudelsky, Secretary; Jerry Goldwasser, Treasurer; Allan Klepper, President; and Bob Willins, Vice President.

Under the leadership of Allan Klepper, Erwin Gudelsky, and Jerry Goldwasser the Xi Chapter of Phi Epsilon Pi again experienced a very fine and successful year. At the close of rush season the Phi Ep boys claimed fourteen new pledges. With these and others, Phi Epsilon Pi entered wholeheartedly into another school year. . . . Owners of one of the finest social calendars on campus, they have social events such as house parties, parties during rush season, rush parties, and their big dance of the year—the Sweetheart Dance. Held at the Henry Grady Hotel on the eighth, ninth, and tenth of February, the week-end was highlighted by the naming of the new Sweetheart—Miss Elizabeth Jacobson and her court of Nancy Guzy, Rosalyn Levin, and Elizabeth Lesser. . . . Several campus "Big-Wheels" that call 160 Sixth Street their home are Allan Klepper and Paul Wexler.

While awaiting construction of the new chapter house on the site of the Social Science building, Phi Gamma Delta—Gamma Tau Chapter—climax a thirty-year existence with the largest pledge class ever. . . . Prominent in extra-curricular activities were Bill Winn, member of ODK and Senior Class treasurer; Bill White, member of Koseme, *Technique* News Editor, and Lutheran Student Association Vice President; and Al Lee, *Technique* Circulation Manager. In addition the Fijis contributed three members to Tau Beta Pi and a half a dozen to the Dean's List. . . . Highlighting the social calendar for the year were the traditional Fiji Formal, the Fiji Island Party, and the Norris Pig Dinner. Hayrides, house dances, treasure hunts, and the house party took place throughout the year. . . . Not only on the social calendar did the Fijis leave their mark; the chapter began the year by rating third in scholarship and later won its league basketball championship.

As rush season activities ceased in September there were twenty new members of the Phi Kappa Sigma Fraternity. As new men in the Kappa Deuteron Chapter they learned that Phi Kappa Sigma has steadily grown in campus prominence since its founding here in 1923. In intramural sports the Phi Kappa Sigma men have made distinguished names for themselves. They won the volleyball championship, and tied for the basketball winner in their league. Campus organizations that are represented by some of the brothers are the Bulldog Club, departmental societies, and Y. M. C. A. clubs. High on the social calendar stands the annual Black and Gold Formal held at the Druid Hills Country Club. One event that everyone always enjoys is the Christmas party for orphans held just before the Christmas holidays. Another outstanding social event is the pledge-brother formal.
