THE EDITORS OF the Blue Print selected Steve Allen to judge the 1958 beauty contest as he is well known in the field of entertainment and quite capable as a judge of beauty. We were fortunate in having Mr. Allen offer his time in the difficult task of choosing the Queen and her court.

Mr. Allen is the star of his award-winning, weekly comedy-variety show. In addition to being an exceptional humorist, emcee and comedian, Steve is a writer, composer, musician and recording artist.

Many thanks to you Steve for your assistance in helping us select our Queen and her court for the 1958 Blue Print.
