THE MEN OF ALPHA DELTA observed their fifty-fourth year on the Georgia Tech campus very enthusiastically. Summer and fall quarter rush programs brought fifty-five outstanding pledges to Pi Kappa Alpha. The Homecoming display appeared on the Tenth Street lot where the new home of Alpha Delta will be constructed in the near future. A buffet luncheon for alumni, actives, and their families highlighted the Homecoming activities. The annual Black and White Formal saw the crowning of a lovely Dream Girl, Miss Kay Peacock. The Founder's Day banquet was addressed by the national president. Other events included the first annual presentation of the Pi Kappa Alpha Scholarship Key and the naming of a PiKA as "Ugliest Man on Campus."
THE ODDS AGAINST FILLING AN INSIDE STRAIGHT ARE ASTRONOMICAL, BUT MIRACLES DO HAPPEN—BESIDES, IT IS FUN JUST TRYING.

SOME LUCKY PIKA's take a break from the study routine and enjoy batting the breeze on the front porch.

PI KAPPA ALPHA
Alpha Delta Chapter
PI KAPPA PHI
Iota Chapter

PI KAPPA PHI was founded at the College of Charleston, Charleston, South Carolina in 1904. The local chapter, Iota, was chartered in 1915. As one of the oldest fraternities on the Tech campus, they possess a rich and colorful history. Believing in the true meaning of a fraternity, their membership has rarely exceeded fifty men.

With local chapters in most of the major colleges including five within a radius of a hundred miles, the Pi Kaps are known as a group who like to have a good time.

Heading the list of social functions is the Founder's Day Dinner held in December and the annual Rose Ball presented during the winter. This year's ball was climaxed by the crowning of their Rose Queen.
A LOT OF THOUGHT AND A LITTLE ACTION MAKE CHESS THE GAME IT IS, BUT THE KIBITZERS ENJOY IT MORE THAN THE PLAYERS DO.

COMBINED EFFORTS on the part of these three industrious I.M.'s end with the grass cut and a tired group of pledges and brothers.

THE GEORGIA PHI CHAPTER of Sigma Alpha Epsilon under the leadership of Coley Evans and Tom Roberts has again strengthened its position of greatness during the year 1958-59. Being well represented in both intramural and varsity sports, the SAE's probably displayed their laurels most strongly in campus politics. They boast presidents of two classes and vice president of the third—in the persons of Jim Jeter, Pat Peavy, and Bill Harris. Although the SAE's are sincerely proud of their outstanding individuals, it is the SAE spirit of brotherhood which makes the fraternity what it is. This spirit is easily felt at the SAE's various house dances held throughout the year and is vividly brought to a climax at the annual Violet Ball.

BIG SMILES reflect the enthusiasm with which the SAE's welcome their new members on Pledge Sunday.

THIS FELLOW seems to have plenty of help from bystanders. Well, their advice is probably helpful.
SAE'S AND DATES TAKE A BREAK FROM A HOUSE PARTY TO WATCH TELEVISION.

MISS MARY DUNN, Sweetheart
THE SIGMA CHI'S started out the year with a good rush season that netted 40 pledges, and a lot of spirit that continued throughout the year. Student Body President, Bill Vanlandingham was among many bringing prestige on the Hill to the Sigs. Also outstanding were Wayne Patterson, Larry Fonts, Fred Perkins, Bob Lamar, Jimmy DuBard, A. J. Land and Jim Bergert.

The Sigma Chi intramural teams were in there trying for the IFC points again this year as always. They also did well in the Homecoming display contest.

The Sigma Chi's maintained their social life with frequent week-end parties at the house and around Atlanta. Their social calendar was climaxed with the Sweetheart Ball in the winter quarter.

SIGMA NU, chartered at Tech in 1896, has proved its ability in scholarship, athletics, social, and extracurricular activities in its 63 years on the campus.

The "Snakes" were second in competition for both the athletic and IFC trophies last year.

This year Sigma Nu has been second in football and volleyball. Jerry Meyer added another IFC point in winning the greased pig contest.

The biggest event of the year was the White Rose Formal at the Druid Hills Country Club February 20. At this time, Commander Rogers presented the sponsor, Miss Liz Acree from Agnes Scott.

Sigma Nu has begun an extensive improvement program on their already modern house.

ELIZABETH ACREE, Sweetheart
This man casually plays his hand at the daily round of poker.

A couple gets in the swing of things as the band strikes up a tune at a Sigma Nu frat house party.
THE GEORGIA ALPHA CHAPTER of Sigma Phi Epsilon was established on the Tech campus in 1907. In the succeeding years since their arrival, the Sig Eps have grown to a well-rounded and strong group. Members are in almost all the departmental clubs, societies, and honoraries, and the YMCA-sponsored clubs, as well as the various publications. Sigma Phi Epsilon is active in IFC-sponsored athletics, ready to show their skill and initiative in all intramural sports. The Sig Eps hold several social events throughout the year; the primary events being the Sweetheart Ball in the winter quarter, and the Christmas Party and the Pledge-Brother Formal. Other informal dances are also held throughout the year at the SPE house.
TIRED BUT HAPPY, THESE SIG EPS AND THEIR DATES ENJOY COFFEE AND DOUGHNUTS AT THE HOUSE AFTER A WONDERFUL FORMAL.

THE PHI CHAPTER of Tau Epsilon Phi is one of the smallest fraternities on the Georgia Tech campus but is one of the most active for its size. They have achieved the ultimate goal of a fraternity—to stimulate scholarship, to create and encourage social activity, and to promote leadership. Many of the brothers and pledges join activities such as clubs, departmental societies, and honoraries, as well as taking active participation in these and in athletic events. Social activity is promoted in the form of dances and parties at the TEP house, house parties, and the annual Sweetheart Dance. The annual Pledge-Brother brawl and dance is one of the most enjoyable. The most outstanding is the Sweetheart Ball, held in the spring quarter.

TAU KAPPA EPSILON
Beta Pi Chapter

THE BETA PI CHAPTER of Tau Kappa Epsilon was pleased with the outcome of rush week, when twenty men joined the pledge class. Even though the pledge class wasn't as large as past years, it proved to be one of the best by taking first place in scholarship for the Fall Quarter.

The biggest thing to happen to the Tekes in 1958 was the purchase of $37,000 worth of property for use as a new home. Tekes hope to move into the new quarters by Spring Quarter.

TKE is justly proud of its many outstanding men in campus organizations. They are prominently represented in the Y.M.C.A. and the I.F.C.

The Teke social calendar contains numerous parties and dances, including their Red Carnation Ball.

MISS DOROTHY JEAN THOMAS, Sweetheart
A HAPPY SMILE of fond anticipation shines on the face of another freshman as he is welcomed to the fold.

THE OX-MEN GOT OFF to a good start this year, their thirty-sixth on campus, with a strong rush season that yielded thirty new men. Actives and pledges worked together to come up with a Ramblin' Reck that took second place. Miss Sandra Morgan was crowned Dreamgirl of Theta Chi at the annual Carnation Ball held at the Elks Club in February. A few campus leaders from the OX-house are Ronnie Bell, Who’s Who in American Colleges and Universities, Vice President IFC, YMCA Cabinet, and Chairman of Fraternity Trial Board; Ken Britting, Who’s Who, President Tau Beta Pi, Chairman of Fraternity Honor Board, and Student Council. A new housemother, Mrs. Marion Stewart, brightened the Theta Chi scene in September and has added much to the spirit of the members.
A good time is had by all—especially the bystanders—as dismayed Theta Chi's battle to balance more than the budget.

THETA CHI
Alpha Nu Chapter

THE FRAME seems just about right, but I doubt if it will ever really fly.
AFTER A SUCCESSFUL rush season, the men of the Beta Alpha chapter of Theta Xi looked forward to the activities of the year. These were highlighted by the Founder’s Day Banquet, the Sweetheart Ball, and the annual New Year’s Eve party, and many weekend parties held at the house. Leadership has been exemplified by the enrollment of individual members in the various campus organizations. Beta Alpha also encourages intramural sports for members. The Theta Xi Volleyball team won second place in its league, and other teams participated in the various intramural sports and fraternity events.

The spirit of the fraternity has been exceptionally high throughout the year. Actives and pledges have worked hard, and we have had a great year.
COOL MAN, COOL—STRICTLY INFORMAL, THIS PARTY WAS FUN FOR ALL PRESENT.

MISS SUSAN JACOBY, Sweetheart
THE ALPHA XI'S GET TOGETHER at the girls' dormitory after class to discuss the events of the day and relax awhile.

ANOTHER ENJOYABLE YEAR has passed for Georgia Tech's only sorority, Alpha Xi Delta, under the leadership of Kim Craig. Although few in number, they have taken an active interest in many campus organizations. Some of those represented are Sigma Gamma Tau, departmental societies, religious organizations, and the Technique. The girls take an active interest in all I.F.C. activities and participate in fraternity-wide functions. In addition, the girls of Alpha Xi work closely with the other women organizations on campus, such as Women Students' Association, of which Alpha Xi's Evelyn Nix is president, and Gamma Psi, the Coed Y Group, which sponsors the Coed Freshman Camp each fall. Various social functions are held throughout the year.

HOMECOMING DAY comes with Lambda Chi Alpha prize-winning display standing quietly alone among the gloom of defeat.

WITH HELP from interested freshmen, extravagant preparations are made for a wild and reckless fall quarter rush party.

FRATERNITY BROTHERS and pledges stand and talk with prospective rush girls at rush girl teas held during the summer.

A RAMBLIN' RECK slowly moves up the "hill" to the judging stands as thousands of interested and amazed on-lookers observe its struggle.

WITH COKE IN HAND, a freshman and a rush girl hunt for a lost rat cap so that he can exhibit his pride and joy.
