Distribution of Excess Tickets Will Begin on January 17

The distribution of student basketball tickets was completed this afternoon at 4 p.m. Handled exclusively by the Student Council through its membership, the system, which has its origin in a fiasco of troubles at Tech, was reported by the Athletic Committee that in the event that any tickets were left over, the entire student body would be issued one more group on the "first come, first served" basis on Monday of next week, January 17.

In such an event posters will be put up on the campus and a notice will be written on the sign board in the lobby of the Administration building announcing the continued distribution of extra tickets. These will be posted tomorrow, Saturday morning. However, the tickets will not be distributed until Monday morning at 9 a.m.

The eight men chosen for Omicron Delta Kappa are, top row, left to right: Roy Barnes, Al Boissy, Travis Brannon, and Bill Carasik. Bottom row, left to right: Ted Carroll, Jim French, Tom Green, and Don Kennedy.

Griffin Discourages 'Job Shopping'

"Little cities in Connecticut's industrial towns are being beaten down by the trend to subcontract manufacturing jobs overseas—mainly to the Far East—where wages are very low. Firms are being forced to close up shop here and move their factories to the Orient. This is grim news but true and I don't think we can do anything about it," said George Griffin, who was an economics professor at Tech. Griffin noted that the government is trying to build up American industry, but that it's not enough.
Van Leer Becomes Honorary Member of Engineering Soc.

Honorary membership in the Georgia Engineering Society, the highest honor which can be accorded to an engineering graduate of Georgia Tech, has been awarded for 1949 to Dr. Blake H. Van Leer, President of Georgia Engineering Society.

The unanimous award was made to Colonel Van Leer, according to President George H. Bond of the society, because of his acknowledged professional position as an engineer, soldier, military administrator and citizen. The annual dinner was conferred on Thursday evening, January 13, 1949, during the annual dinner of the society at the Ansley Hotel.

Following the presentation of the certificate of award by Dean Cherry E. Kempe, chancellor of the society, Colonel Van Leer then gave the annual address to the society on the subject of "A New Outlook for Georgia Through Engineering Education."
WSSF Drive Will Be Launched Monday

Two-Thirds of Collections To Remain on Tech Campus

Plans for the World Student Service Fund campaign were announced at a dinner-meeting held at the Ottoman Delta, Kappa Sigma House last Monday night. The drive to aid students from other countries will be officially launched on Monday, January 17. The campaign will last for three weeks.

Representatives from all fraternities present were present and Wayne Blancett, Tom Crossman, and Marion McCoy were named as the officers of the drive. Harry Hardy, Wayne Heasley, Gardner McKenzie, and BM SKS were absent.

President Roy Barnes announced that $250.00 had been raised in this campaign so far and that the share of the drive will be turned over to the World Student Service Fund for use in the period of the drive.

The Georgia Tech World Student Service Fund has been set up to aid foreign students who are studying here. The drive to aid foreign students will be offically launched Monday night. **BSU Xmas Festivity**

Fetes 100 Children; Tech Donations High

As a result of donations by Tech students and other local students, the Baptist Student Union was able to entertain one hundred underprivileged children at their fifth annual Christmas party. The party was held at the Pryor Street Mission of the Baptist Church at the close of last quarter.

A total of $236.00 was collected from students of Tech, Agnes Scott, Emory University, and the Nurses Homes. Of this sum, $275.00 was collected from Tech students.

The Christmas party was climaxd by the appearance of Santa Claus who gave presents to the children. Each child received at least four articles of clothing and two toys. The clothing included caps and gloves, and shirts for the boys and sweaters and blouses for the girls.

The Tech council of B.S.U. has expressed sincere thanks to the students who contributed this year. Their donations alone made up over half the fund used for this purpose.

Emerson Elected

To Society Office

Cherry L. Emerson, vice president of Georgia Tech, Atlanta, Ga., was elected (today) vice president of the southeastern region of the National Society of Professional Engineers. It was announced by executive director Paul H. Robbins.

**Nalesnik Attends NSA Meet; Extension of GI Bill Favored**

George Nalesnik, regional president of the National Student Association, recently attended a national executive council meeting of that organization at the University of Chicago.

The council, according to Nalesnik, decided that the NSA's magazine, "The NSA News," should be made a national intercollegiate magazine. It is now form the paper contains one section that is NSA news, a section of intercollegiate news and a section of education news whose material is drawn from various educational journals. An exchange policy has been inaugurated with campus newspapers throughout the country so that articles of interest can be obtained for the "NSA News."

The executive council recommended that the NSA endorse legislation to extend the G.I. bill of rights to persons inducted under the Selective Service Act of 1948. They also support the extension of legislation to establish a limited State Office of Education as an independent government agency under the control of a policy making board of laymen appointed by the president with approval of the Senate. Endorsment was also given to a plan for the government to provide fellowship to encourage capable young men in the various professions to enter the field of education.

Dark Horse or Black Sheep?

The failure of the Jacket basketballers to excel in SEC competition must be considered as one of the major surprises of the yet young 1949 athletic year. Expected by many to be among the strongest of the conference cage entries, the Techmen have lost three in a row to SEC opponents.

Let’s analyze the Jacket five and attempt to discover a suitable remedy for their disappointing showing. The team is essentially the same as that hardy band of never-say-die lads who came within a hair’s breadth of toppling Kentucky in last year’s SEC tourney at Louisville, almost scoring one of the most astounding upsets in college basketball annals.

Captain Jim Nolan is the same star who completely outplayed Kentucky’s All-American pivot star, Alex Groza, and soared on to the center position on the All-SEC five. Colin Anderson is the same flashy guard who was so effective distribution of basketball tickets for Tech’s home games. Since the AA plan of distribution proved distasteful to many, the council ruled over the situation and hence cannot be considered bona-fide gripes. Don’t fret, you freshmen, for we have two Georgia games here this year and the AA plan of distribution proved distasteful to many, the council ruled over the situation and hence cannot be considered bona-fide gripes. Don’t fret, you freshmen, for we have two Georgia games here this year and several other top-notch fives will also see action. Who knows, perhaps when the AA plan of distribution proved distasteful to many, the council ruled over the situation and hence cannot be considered bona-fide gripes. Don’t the Tide has rolled over three conference foes in as many starts and will be favored to keep the Techmen in the cellar. The Bama-ties have beaten Georgia once and Auburn twice and have a season’s record of seven wins and two losses.

High Scoring Stars

Top stars for the lads from Tuscaloosa are forward Carl Shaeffer and guard Dick McKennie. Shaeffer has hit the meshes for 72 points this season and McKennie has scored 72.

Rounding out the starting lineup for the Tide will be Rebel Steiner of Tennessee at center, and Dyson Hamner at the other guard position.

Asmurb Wina

The Techmen bowed to Auburn 41-33 for their third straight conference defeat in a hard fought game played Tuesday night on the Auburn court. Vicious under the net struggling for the ball and alert guarding resulted in the unusually low score.

The sum of both teams’ scores was 74, an amount more than often equaled by one team in SEC play.

In three previous starts, the Tigers had lost to Alabama, Mississippi State, and Florida. The Jackets lost their last week to Tulane and LSU. The Jackets lost their last week to Tulane and LSU.

Top High Scoring Stars

Other Jackets who hit paydirt were\n
Jacket high scorer and scorer for the game with 15 markers. Jacket high scorer and scorer for the game with 15 markers. Mike Sermersheim, and Joe Keener, freshmen stars of last season, have all displayed the same vigor which made the White and Gold a championship contender not too many months ago. What then could be the underlying cause of the Jacket five’s poor showing? If you guess at your priest’s name is the same as ours!

Bernie’s Breakfast of Champions

A big orchid is on the platter for the Student Council for their Saturday breakfast. The Student Council will be served by the Sigma Chi fraternity.底层的 Sigma Chi fraternity.底层的 Sigma Chi fraternity.

Get Set for Your Christmas Dinner

During the Christmas holidays someone (we can’t mention any names because, after all, Tech students are above this type of literature!!!) brought us a clipping from a well known comic book in which Coach Bobby Dodd is pictured as endorsing a famous breakfast food (Continued on page 8)
Grapplers Receive First Test Here Saturday Night

By Ralph Day

Tech wrestling fans will be given a better line on just how much the ‘49 White and Gold grapplers have on the ball Saturday night when the Chattanooga Moccasins in the Tech will make their collegiate wrestling debut.

The Jacket grapplers have been undergoing rigorous training since October and are expected to be in top physical condition for the curtain raiser. Daily workouts see the grapplers run two miles then settle down for an hour of all out wrestling.

Progress Rapid

Under the tutelage of head coach Bob Miller, believed to be the only wrestling coach in the country with college wrestling, Coach Miller stated that the collegiate brand of wrestling barely resembles the professional variety which has come to be regarded as nothing more than a rowdy show with two big bruisers as actors.

The freshmen grapplers will take on Baylor School of Chattanooga Saturday afternoon.

WILL MOCCASINS FIT?

The lineup for the Chattanooga meet as determined in tryout bouts earlier this week will be: Heavyweights, Bob Ivey; 136 pounds, Lamar Oglesby; 155, Joe Basler; 145 pounds, Rahily Rhodes; 165 pounds, Gene Franklin; 128 pounds, Bob Scott; 121 pounds, Lamar Oglesby; 120, Rahily Rhodes; 115 pounds, Bob Scott; 111 pounds, Jimmy Hayes.

Starting Lineup

For the benefit of anyone unfamiliar with college wrestling, Coach Miller stated that the collegiate brand of wrestling resembles the professional variety which has come to be regarded as nothing more than a rowdy show with two big bruisers as actors.

(Continued from page 6)

won't mention the name of the cereal, but doesn't that heading strike a familiar note??

The endorsement of this breakfast food (it comes in an orange and blue package, incidentally!!) further states that no gridder would think of stepping on the playing field without first having his daily morning portion of the cereal. My, my, can't you just imagine all of the Jacket football stars munching this breakfast food every morning of the year? Who knows, this may be just what the basketball team needs!

Odds 'n Ends

Don't forget, all you journalisticly inclined engineers, The Technique meets every Monday night at 7 p.m. in the "Y" Publications Lounge. We have several openings on the Sports staff and are urgently in need of capable assistance. After all, it's not the easiest thing in the world to put a paper together all by yourself. Come on out and try your hand at the art of writing sports.

Latest unofficial reports have it that Tech's 1949 football schedule, soon to be released, will be essentially the same as the 1948 slate of opponents. The only game that is expected to be changed will be the Citadel contest, but as yet no opponent for the pre-Georgia week has been selected. Out of town opponents will be Tulane, Tennessee, and Alabama, leaving seven home games once again. Our rumor department also tells us that the Jackets may reach into the powerful Southwest for opposition in 1950.

Intramural Cagers Enter Second Week; Betas, SPE, Techwood, Phi Delt, Crimson Lead Loops

By Fred Tallant

The Intramural Basketball Program entered its second week of play this week boasting a record number of seven leagues and forty-six teams. Although the season is too young to predict any final results, several teams have chalked up such decisive wins that they have already gained the reputation of being powerhouses.

Gold League Lead Tied

Two teams, the Phi Delts and the KA's, are tied for the lead in the Gold League. The Phi Delts trampled the Sigma Nu's 56-16, while the Sigma Chi five fell prey to the KA's 22-18.

Beta Wins Two

With a record of two wins and no losses, Beta Theta Pi is leading the White League with Delta Tau Delta and Lambda Chi Alpha close behind with records of 1-0. The Betas have knocked off the Kappa Sigs and the Phi KA's, scoring 50 points with their opponents collecting 45 in the two games.

SPE Leads Yellow Jackets

Sigma Phi Epsilon, league champions last year, and Phi Kappa Sigma are tied for the Yellow Jacket League lead with one win and no losses each. The SPE's routed the Theta Chi quintet 82-19 while the Phi Kappa Sigs outlasted the Tau Eps 24-18. Only two of the two in the Tornado League still have spotless records. Chi Psi and Theta Xi, both holding 1-0 records, are leading the league, but Phi Gamma Delta, with a 2-1 record, is not far behind. Phi Ep's five has also won one game while losing one.

Techwood Averages 40 Points

Featuring an offense which has averaged 40 points for their first two tilts, the Techwood entry in the Black League is on top with two wins against no losses. Trouncing Co-op No. 5 51-26 and outlasting Lawson General 29-23, the Techwood boys have racked up 80 points while holding their opponents to 49. Tied for first in the Black scramble is the Wesley five with a 47-24 victory over the Yanks and a 55-22 triumph over the NEOTC five.

Crimson Tornado Feature Defense

The Crimson Tornado, leading the Silver League with a 2-0 record, lived up to its name in its first two appearances. Blowing over the I.A.S. five 30-11 and Towers Dorm No. 2 42-17, the Crimsons compiled a defensive record of 14 points per game while averaging 36 points per game on offense. The I.A.S. squad is in second place with a 33-22 win over the Latin Americans.
