Fraternities
The I.F.C. Officers seem to be stumped over a knotty fraternity problem at one of their bi-monthly Tuesday night I.F.C. meetings.
THE GEORGIA TECH Interfraternity council has the job of coordinating, supervising, and regulating the activities of twenty seven fraternities and a sorority. Two representatives from each fraternity comprise active membership. This year guided by president Eddie Chambless, they have done much toward the furthering of better relations between fraternities, administration, faculty, and other students. The highlight of the I.F.C. social calendar is the annual Greek Week. This is supplemented by various forms of I.F.C. sponsored entertainment, such as a concert each quarter of the school year. These make up much of the social activity for the Tech fraternity man. Each year the I.F.C. through each individual chapter assists several charity agencies such as The Empty Stocking Fund, Old Newsboy Day, and the Red Cross Blood Drive.

EDDIE CHAMBLESS REPRESENTING THE I.F.C. discusses fraternity problems with senior representatives of some campus organizations.
THE CANDIDATES FOR MEMBERSHIP ARE ALWAYS THOROUGHLY APPRAISED BY THE IFC HONOR BOARD.

ALPHA XI DELTA has continued participation in campus activities and in many outside activities. This year the sorority members again worked with the IFC, as was shown by their winning the Old Newsboys Trophy for the small fraternity having the largest per capita collection. Two members, Sue Putnam and Sue Garrett, as presidents of Gamma Psi of the YMCA and the Society of Women Engineers, have led these campus organizations for women students.

Among the sorority activities, Kim Keaten attended the National Alpha Xi Delta Convention held in Colorado this past summer. During the fall the Gamma Eta chapter attended the installation of the Gamma Upsilon Chapter at the University of Georgia. This winter the Alpha Xi Delta's had a joint party with the Phi Sigma Kappa Fraternity to better sorority-fraternity relations. Also during the winter quarter, the Alpha Xi Delta's held their first Rose Banquet which is to be an annual affair.

AN ENGINEER NEEDS TIME TO BE ALONE TO THINK.

AN EXCITING game of badminton brightens up a Spring afternoon as these two Co-eds play on one of the Atlanta courts.

THESE TWO CO-EDS find time for horse-play on the new fire escape while taking a well-deserved break in a busy schedule.
THE NEW YEAR was begun with a new advisor, Past Master Warren Epstein. The advisor was not all that was new this year. The house was rejuvenated by some modest but important improvements, including a chapter office.

AEPi delegates returned from the International Convention held in Houston this year with a big trophy for Zeta as best AEPi chapter in United States and Canada.

Among Zeta’s on campus achievements during the year was the success of their candidate, Temme Barkin, in succeeding to the Homecoming Queen’s court.

The social season of Zeta began in earnest with the Sweetheart Formal held for the first time in fall quarter.

AEPi’s were represented well in extra-curricular activities. Two brothers are cheerleaders, and other brothers are active on the Technique, the Student Lecture and Entertainment Committee, and in the Koseme society.

BETA IOTA CHAPTER OF ALPHA TAU OMEGA was established as the first national fraternity at Georgia Tech in September, 1888. September 1959 was another important September for the chapter, since Mrs. Ann Scott became both family and friend to the brothers of Beta Iota as she became the new Tau housemother.

Alpha Tau Omega began an active school year with a most successful rush season and a strong bid for the '59-'60 IFC Trophy. In Fall activities, ATO won the league and school championship in volleyball and the school cross-country meet. For the second consecutive year ATO won the Stereo set which was offered in the annual Marlboro Contest by turning in the greatest number of boxes.

The Tau social calendar was off to a flying start with the Fall Rush parties and was highlighted by a Christmas Party, a festive Winter House Party, and the annual Spring Formal which featured the coronation of the always beautiful Alpha Tau Omega Sweetheart.

BETA THETA PI, founded at Miami University in August 1839, came to Tech in 1917, and has distinguished itself since then as a leader in every phase of campus affairs.

In sports the chapter is represented from freshman footballer Bob Lincoln, to varsity gymnast Duane Bustle. With an eye on the IFC trophy, the Beta's swept to an impressive victory in the intermural swimming meet.

On the Hill the Beta's are in firm control. Oscar Persons is the Student Body President, and he and Buddy Woods are ANAK and ODK. Dave McKenney is Secretary-Treasurer of the Senior Class, and a Koseme member.

Buddy Woods, Editor of the Blue Print, Sid Elliot, Business Manager of the Rambler, Charles Bamford, Associate of the Engineer, are Betas in the fourth estate.

In the military, Betas also hold sway, for the top military honorary, Scabbard and Blade officer's are all members of the Gamma Eta chapter.
THE SPIRITED BETA'S work industriously in order to complete their original homecoming display before the judging Friday night of the 1959 Homecoming.

ON DECEMBER 24, 1824, the Princeton Order of Chi Phi was founded at the College of New Jersey, now Princeton University. From that time forward, chapters of Chi Phi have been established at the outstanding colleges and universities throughout the country.

The Omega Chapter here at Tech was founded on June 2, 1904. In 1910 a chapter house was obtained, making Chi Phi the first fraternity on the Tech campus to own its own chapter house.

The Chi Phi's started the new school year off in fine style by pledging a fine group of young prospects. From this pledge class, the brothers expect a group of campus leaders and scholars. Known all around for their parties, the Chi Phi's again had another great social season, with rush parties, the house dances, and their formal.

Chi Phi has always been an outstanding fraternity on the campus, not only socially, but also athletically and scholastically. Chi Phi ranked high in these this year.
MAN, I DON'T CARE WHAT IT HAS FOR POWER—IT'LL RUN, AND THAT'S ALL THAT REALLY MATTERS IN THE END.

TWO CHI PHI PLEDGES clean up the house after a big weekend—one of the necessary items of good fraternity pledge training.
THAT AGE OLD question, “What are you doing Saturday night” and that age old answer, “I'm sorry, I've already got a date.”
And with the coming of spring everyone gets that old spring fever, which includes ball, of course, and one's studies go with the winds.

Chi Phi
Omega Chapter

This is how fraternity men learn to have a certain amount of pride in the upkeep of their house.
Chi Psi
Iota Delta Chapter

Alpha Iota Delta, at Tech since 1923, has chalked up an outstanding record this past year and is doing the same again this year. Chi Psi's won the school scholarship trophy and their National Fraternity scholarship plaque. As sweetheart Chi Psi's chose Miss Kathleen Like, whose wonderful personality and winning smile were fine assets during rush. Under the superb guidance of Mrs. G. B. Bache, the housemother, the lodge has taken on the air of hominess. As always Chi Psi's have held their own at athletics. For fall rush, the lodge was given a thorough going over, including completely redecorating the living room. Chi Psi's are looking forward to another successful year with the addition of a fine new pledge class. The outstanding social events are the sweetheart pinning in the fall and the Birthday Banquet in the spring. Also, along social lines, the Chi Psi's schedule includes fine parties the year round.
The Chi Psi Brothers and their dates get together for an excellent spontaneous record party, and dancing seems to be a real good way to spend an evening.

RICHARD E. JOHNS . Vice President
ROBERT M. SPEIGHTS . Secretary
WILLIAM C. PARRIS . Treasurer

DELTA SIGMA PHI, approaching their 40th year on campus, started the new year with an unusually large pledge class. The brothers entertained the new pledges and their dates at numerous house parties during the fall quarter. The spotlight fell on the Carnation Ball, at which Miss Libby Chaplin was pinned sweetheart. Homecoming kept all the Delta Sigs busy, and rounded out an eventful fall quarter. With very able leadership from our fine officers, Delta Sig set a pace of improved scholarship for the winter quarter. The annual pledge-active football game, basketball practice, and week-end parties kept all brothers in shape during the winter months. Spring could mean only one thing to a Delta Sig—Shipwreck Ball! Exotic and unusual decorations were a part of the party atmosphere which ended another fruitful year for Delta Sig.
This pledge checks the paddle that is part of his pledge requirements before leaving it for the brothers inspection.

The Delta Sigs get their fall rush week off to a fast start as they all gather 'round and snow rushees with one of their well known and swingin' French parties.

It may not be like the good old meals grandma used to cook but at least it's filling and tasty. What else could one wish for, at Tech anyway?

MRS. LIBBY POSEY, Sweetheart
Gamma Psi Chapter of Delta Tau Delta was established at Tech in 1921. Now in its 39th year, Gamma Psi is experiencing another fine year.

Beginning with Rush Week, the Delts gained 43 new pledges to form one of the largest pledge classes on campus. With a strong emphasis having been placed on scholarship, the pledges led all other pledge classes with the highest scholastic average. For the second straight year, the Delts copped the championship in their volleyball league. Cross country saw the Delt harriers place second in the school. The Ramblin’ Reck spun and tossed its way to third place in the Wreck parade.

On the rolls of the honor societies at Tech, names of Delts appear more than four times. Among the campus leaders who are Delts are the editors of the Technique and the Rambler, the vice-president of the Senior Class, the president of the YMCA, and the Wing Commander of the AFROTC. The Delts are found active in most campus groups.
AND THEN THERE'S the story of the frosh who came to Tech, with lofty scientific ideas, and majored in gardening.

PEOPLE who say that fraternity life is all play and no work have a rather retarded view—just ask our friends here!

THE NEWEST FRATERNITY on the Georgia Tech campus, Delta Upsilon, is completing its third year. Chartered in the spring of 1957, Delta Upsilon has grown from a small group of determined men to a fraternity demanding recognition and power. The three main points which are stressed at the D. U. house are scholarship, social activity, and athletics. Ranked seventh among fraternities in scholarship last year, this is being stressed again this year in an effort to better their former rating. A big brother program for the pledges enables them to get a good start scholastically and maintain the tradition. Parties held at the house and more serious functions such as Founders Day add to the social life of the D. U.'s. The formal during the winter quarter is probably the most prominent social function at which time the new sweetheart is crowned. The football and bowling league titles were awarded to the D. U.'s last year. It is hoped that the future growth of Delta Upsilon will be as rewarding as its first few years.
THESE HARD WORKING D U's need just a little more paint, paper, and glue, in order to have their annual Homecoming display ready for the judging.

KAPPA ALPHA
Alpha Sigma Chapter

The men with the southern tradition came to the Tech campus in 1895 and since that time have been very active in school activities. This year has been no exception. After a very productive rush reason which produced one of the finest pledge classes on campus, the Kappa Alphas declared open season on the social calendar. A Christmas party and the Rose formal, which honors the new Kappa Alpha Rose and the most outstanding pledge, highlighted the fall and winter quarters respectively. The climax of the social season, of course, was the annual Old South Ball during the spring quarter. Sponsored by all the KA chapters in the area, the ball features the gentlemen of the Old South, complete with beards and Confederate uniforms.

In athletics too, the Kappa Alphas are strong competitors. KA can always be counted on as a good contender for the top spot in football, basketball, softball, and swimming. Over the years, KA teams have wrapped up championships in all these sports. Scholastically too, the KA's rank high on campus.

Co-operation—one of the primary teachings of a fraternity—is exhibited here by the KA's as they industriously work on their homecoming display.
WITH A LOT OF BANGING and bouncing, the KA reek slowly climbs
the hill to be judged—the culmination of weeks of work for the Brothers.
MRS. DORSEY WARE, Housemother

ALPHA TAU CHAPTER of Kappa Sigma began its 65th year on campus with a fine rush that convinced a large group of outstanding freshmen that one of their prime aims should be to protect the big white rock at their new home on Sixth and Fowler.

Special emphasis was placed on scholarship, but the social and extracurricular activities were not neglected. In intermurals the Snappers began the year terrorizing the football leagues and winning the football championship thus establishing themselves as definite threats in all other sports. The men at Sixth and Fowler were also active in all phases of school activities, including publications, honoraries, military, interfraternity, and school organizations.

The academic grind was relieved by a number of combo parties. The annual Black and White Ball climaxed the social calendar.

The spirit which has characterized the Kappa Sigs over the years is still as strong as ever.

GATHER ROUND GANG, I've just got the gospel word on that Physics 208 final we're supposed to take tomorrow morning.
THE KAPPA SIG'S, WELL KNOWN ON CAMPUS FOR THEIR PARTIES, GET READY FOR ANOTHER ROUSING BIG BLAST.
THE KAPPA SIGMA HOMECOMING DISPLAY REFLECTS MANY HOURS OF HARD WORK BY BROTHERS AND PLEDGES.
MISS BEVERLY THOMAS, Sweetheart

TIME FOR A BREAK AND SOME COLD ICE CREAM WOULD SURE TASTE GOOD.

MRS. PEARL WILLIAMSON
Housemother
Lambda Chi Alpha was founded in 1909 at Boston University. Now it has matured into one of the largest social fraternities in America. Although one of the youngest of national fraternities, Lambda Chi Alpha is already rich in tradition.

The Beta Kappa Chapter at Tech was established on October 6, 1942, after its honorable and enviable record during its long affiliation with the old Beta Kappa National Fraternity.

Far from being unsocial, the Lambda Chi's each year have a host of social functions such as rush parties, Founder's Day, the annual Christmas party for underprivileged children, and the highlight of the year, the Crescent Ball, where the Sweetheart is named.

The biggest event of the year for the Lambda Chi's was the completion, this fall, of a new modern dormitory. This marks the first stage of a continued building program for this rapidly growing fraternity.
A sudden calmness falls over the LXA house as two LXA brothers tackle the evening paper.

CLOVIS CORNWELL . . . . . . Vice President
STUART MCKENZIE  . . . . . . . Secretary
ERLE NORTON  . . . . . . . . . . . . Treasurer

UNDER THE CAPABLE LEADERSHIP of Presidents Reid Horne and Clovis Cornwall, Georgia Delta enjoyed another successful rush season this year by pledging 24 men. The Phi Delts began accumulating I.F.C. points by placing second in their league in volleyball, and winning their league in football. More I.F.C. points were obtained by being above the all-men's average in scholarship for fall quarter. Their outstanding social events include a Winter Formal, Bowery Ball, a Sweetheart Ball and numerous parties and dances at the house. Phi Delta Theta is well represented on varsity athletic teams. Bob Dudley is captain of the swimming team, and Jimmy Cleveland is captain of the golf team; Bill Ransom is a track standout, and George Swanson, Frank Nix, Hal Ericksen, Butch Carter, and Jim Powell are all prominent members of the football team. David Wheless, a member of the gym team, recently set a school record in rope climb. Phi Delts are also active on the campus. Brothers are prominent in most student groups.
AN EVENING OF RELAXING OR JUST SHOOTING THE BULL TOGETHER—ONE OF THE BETTER ASPECTS OF FRATERNITY LIFE.
While his brothers relax after a hard day on the hill, this Phi Delt enjoys a friendly game of ping pong with one of his worthy fraternity brothers.

XI Chapter

Bill Miller . President
Dick Schwartz . Vice President
Carey Alper . Secretary
Charley Cone . Treasurer

Phi Epsilon Pi Fraternity was founded on a national basis at the City College of New York fifty-six years ago. The Phi Eps were brought to the Georgia Tech campus in 1916. The present chapter house is located on the corner of Sixth and Techwood. The fraternity house has ample room for its brothers. The dormitory section can sleep as many as thirty-five men with dining facilities or about fifty-five to include all the pledges.

Activities for Phi Ep throughout the year are many and varied. Last year they took first place in the Ramblin' Reck parade and were very active in interfraternity sports. They also have a habit of placing first in fund drives.

Highlighting the year socially is their annual Dreamgirl Coronation Ball. This formal affair is held during the winter at one of the finest hotels in Atlanta. Last year their Dreamgirl was elected to be the International Dreamgirl of Phi Epsilon Pi Fraternity. This competition includes all chapters in the United States and Canada.

Two Phi Eps hit the books for the quarterly finals, the culmination of a difficult quarter's work.

FOUNDED AT Jefferson College on May 1, 1848, Phi Gamma Delta now possesses eighty-six chapters on accredited colleges and universities in the United States and Canada. Gamma Tau chapter, founded in 1926 on the Georgia Tech campus, has attained the same prestige locally as Phi Gamma Delta has nationally.

Gamma Tau, building internally, places strong emphasis on IFC sponsored activities and has scored well above average in IFC points this year. The Figi's participate actively in the intramural sports program, and are constantly striving to uphold their good scholarship record. Emphasis was also placed on social affairs, campus activities, and service to the school and community.

In other student activities too, the Figi's are well represented, with members in many departmental honoraries. Highlighting this past year were the traditional Norris Pig Dinner, Figi Island Party, and the ground-breaking ceremony for the Figi's not-too-distant new home.

THE PHI GAMS HIT THE BOOKS FOR A NIGHT OF SERIOUS STUDY. HOPE THOSE CARDS DON'T GET PUT TO USE.
Now about this math—boy, has it been giving me the slip. Just goes to show you that two heads are better than one, when the one happens to be your own.
MISS BUNNY RAMSDELL, Sweetheart

FIJI BROTHERS TRY THEIR HANDS at studying, one of the more rewarding pastimes of campus life.
"WELL, I CAN'T HELP IT!" "You'll just have to use the adding machine till the computer is finished."

A quiet and relaxing conversation on the porch of the house is one way to spend an afternoon away from classes and the rush of the hill.

PHI KAPPA SIGMA
Alpha Nu Chapter

OFFICERS

CLIFFORD DENNY . . . . . . . . . . . . President
BOB BRUSH . . . . . . . . . . . . Vice President
JAMES BOMAR . . . . . . . . . . . . Secretary
JERRY EISINGER . . . . . . . . . . . . Treasurer

PHI KAPPA SIGMA Fraternity was founded at the University of Pennsylvania in 1850. Since that time Phi Kappa Sigma has expanded to include forty-seven chapters throughout the United States and Canada. The Alpha Nu Chapter was founded at Tech in 1904 and became the seventh fraternity on campus. Alpha Nu was one of the first fraternities to own its own house.

The Phi Kaps are well known for their friendliness and congeniality. With the Fall Rush parties starting the social season, the Phi Kaps entertain at parties throughout the school year. The big social event of the year is the annual Black and Gold Formal. At Christmas time the Phi Kaps can be found entertaining orphans at the Christmas party, held just before the Christmas holidays.

The men of Phi Kappa Sigma are also respected for their domineering attitude in intramural sports. Year after year, the Phi Kappa Sigmas can be found at or near the top of their league in volleyball and the other sports.

CHECK IN TWO MOVES! WELL, LAMAR, LET'S SEE YOU GET OUT THIS TIME.
Phi Kappa Tau came to the Tech campus in 1929, and has grown steadily in size and prestige. Their numbers depleted by graduating seniors, the Phi Taus worked hard at Fall Rush. The lavish parties and congenial bull sessions resulted in a strong group of new pledges.

For the second time the Phi Taus celebrated George Washington's Birthday by camping out overnight at a store and being the first customers in the store. The result—a stereo hi-fi to go with last year's television set.

Continuing their program of house expansion, the Phi Taus remodeled their porch, making it into an extension of the living room, providing more room for parties. Under the able guidance of Mother Suchke, the Phi Tau kitchen still produces the finest meals on campus.

Combining brains and brawn, the Phi Taus rank high in campus scholarship, are strong competitors in intramurals, and are well represented in campus groups.
