Who Can Submit?

- Any undergraduate or recent graduate who is doing research or has inquiries about a specific area of research
- ALL majors
What to Submit

- **Articles**: Culmination point of an undergraduate research project; the author addresses a clearly defined research problem

- **Dispatches**: Reports recent progress on a research challenge; narrower in scope

- **Perspective**: Provides personal viewpoints and invites further discussions through literature synthesis and/or logical analysis.
When to Submit

- We are ALWAYS accepting submissions
- We accept on a rolling basis
- Check out our website - there are deadlines for spring and fall issues
