When the journey from means to end is not too long, the means themselves are enjoyed if the end is ardently desired.

—Bertrand Russell
There are those who speak of confusion today as though yesterday there was order rather than confusion.

—Carl Sandburg

*Between the conception and the creation*

*Between the emotion and the response falls the shadow*

*Life is very long*

T. S. Eliot
...It is therefore not only in thought, but through all the senses that man is affirmed in the objective world.

Karl Marx
We are the hollow men
We are the stuffed men
Leaning together . . .

T. S. Eliot
Human beings show their superiority to the brutes by their capacity for boredom....

Bertrand Russell
Arithmetic is where the answer is right and everything is nice and you can look out of the window and see the blue sky . . .

Carl Sandburg
Some astronomers try to cheer us up in moments of depression by assuring us that one fine day the sun will explode, and in the twinkling of an eye we shall all be turned into gas.

... The difference between mind and brain is not a difference of quality, but a difference of arrangement.

Bertrand Russell
As soon as we abandon our own reason, and are content to rely upon authority, there is no end to our trouble.

Bertrand Russell
The resolution of the theoretical contradictions is possible only through practical means, only through the practical energy of man.

Under the sun are sixteen million men,
Chosen for shining teeth, sharp eyes, hard legs,
And a running of young warm blood in their wrists.

Carl Sandburg
"sweet spring is your time is my time is our time
for springtime is lovetime and viva sweet love"

e. e. cummings
The desire for excitement is very deep-seated in human beings, especially in males.

Bertrand Russell
Lay me on an anvil, O God.
Beat me and hammer me into a steel spike.
Drive me into girders that hold a skyscraper together.
