EPILOGUE

The BLUEPRINT for 1965 is designed for the enjoyment of the student both now and in the future. It is not enough for a yearbook to be just a record of the events of the year. It must be interesting and if possible exciting to the student the first time he looks at it or he may never want to look at it again. We have tried to make a book that won't be boring to look at or read. This has been done by shortening certain sections and presenting the fraternities in a different manner. Even the senior section may be enjoyed due to the use of general campus photos. The pictorial purpose of the school is presented in full color . . . more color than any school in the country. We hope you enjoy this book as much as we enjoyed editing it for you.

Special thanks go to Phil Miller, Bob Frank, John Bacon, and Ken Kennedy without whom this book would not have been possible. Thanks go also to Joann Freeman, Kary Mullis, Jim Oliver, Dan Tarkington, Alan Park, and Mike Lowry. Much credit goes to the fine photography of Deloye Burrell, Rick Wisler, and Bernie Wenke. We also want to thank the people at Foote & Davies for tolerating our nonsense.

WGST is not in the Business of Selling the "Numbers"

But...we do sell Purchasing Power!

Study after study, quarterly and semi-annually, year after year, have proved that WGST has the "Purchasing Power" Radio Audience in Atlanta... An audience which delivers more sales per dollar spent in advertising than any other Atlanta Radio Station!

In the latest study conducted by one of the most respected* research organizations WGST was listened to by 70% of the upper-socio economic radio audience in the week prior to the survey! Better than 51% of this audience listened to WGST during the 24 hour period preceding the study!

To the agency and advertiser the important part of the study is the fact that only adult listeners were interviewed! The people who control the purse strings... When you buy WGST you buy purchasing power!

For more information on Atlanta's top "Buying Power" Audience see Advertising Time Sales Representative or call WGST Radio, Atlanta...

ARMCO HEL-COR PIPE
COSTS NO MORE
THAN ORDINARY
RIVETED PIPE

Yet you get more for your money. Here's why. Tough Armco Hel-Cor® Pipe possesses excellent wall compression strength and is better able to withstand live and dead loads. Helical seams resist infiltration to a high degree, and require no special positioning. Now supplied in diameters up to 96 inches, Hel-Cor Pipe meets Federal, state and railroad culvert and sewer specifications.

Long life, low maintenance, high strength . . . that's Armco Hel-Cor Pipe, at no extra cost. See your Armco Sales Engineer. Or write Metal Products Division, Armco Steel Corporation, P. O. Box 1343, Atlanta, Georgia 30301.

YOUTH... our future!

Cone Mills, a major producer of high quality and modern fabrics, is staffed to meet the needs of today. Yet we are already looking at the 70's and beyond to determine our needs as industry becomes increasingly complex.

To maintain our standards, we are seeking young people with imagination and initiative. If you are interested in becoming a part of our future, write Industrial Relations Department, Cone Mills Corporation, Greensboro, N. C.

Creativity...

... is more than an idea or an inspiration when you have the tools with which to work, and a printer who is qualified and interested.

FOOTE & DAVIES offers:
1. Professional consultation and assistance in planning and preparation of your book
2. A complete supply of materials and equipment for your use in producing a "customized" book
3. Expert in-plant coordination of your material with personal attention to every detail
4. Experienced copy prep personnel who help perfect material and proofread your copy as well as your proofs a minimum of four times
5. Printing craftsmen dedicated to producing a book worthy of the Foote & Davies label which has appeared on fine yearbooks for over 60 years.

Plan and design with FOOTE & DAVIES in mind. Telephone 404-451-4511
