Dear Mike,

Under separate cover are three boxes which contain the final reports for buildings 9, 66, 72, 76, 101, 305, and 358. Included in one of the boxes is the invoice for the total amount of the first part of the contract. Yellow "post-its" on colored pieces of paper mark where the divider pages plus tabs should be substituted in the copies which you produce.

Enclosed with this letter are two pages from the table of contents which I think were left out of the above submittal.

As soon as our contracting people let us know that the extension on the contract has come in I will begin work on the next four buildings. Since I will be in Portland, Oregon and Seattle, Washington next week, I will probably go down to Ft. Benning the week after Labor Day to do the field work.

Sincerely,

Bethanie C. Grashof
