Honor Day To Be Highlighted By The Presentation Of Cups, Medals And Scholarship Awards

Dr. Judyson Ward Will Address Honored Students and Faculty

Honors Day Exercises tomorrow evening will bring honors to 585 students, Professor Glenn W. Rainey, and Tau Epsilon Phi and Theta Chi Fraternities.

The program to be held in the Auditorium-Gymnasium, will open at 11:00 o'clock with greetings by Dr. Lane Mitchell, chairman of the arrangements committee and presi­dent of the honorary fraternity Phi Kappa Phi. Colonel Blake R. Van Leer, President of Georgia Tech, will introduce the speaker. Dr. James E. Ward, Assistant Chancellor of the University System of Georgia, will open the program by saying "New Frontiers for Engineers." The glee club will render "Bless The Bonds" and "All Day on the Prairie" by Quin.

The honorary scholasticic orders of Phi Sigma Nu, Tau Beta Pi, and Kappa Delta Pi will present the following cups to outstanding members admitted during the past year. This will be followed by the presentation of 25 individual scholastic awards, including medals, cups, and certificates to students who have demonstrated excellence in their work, and a group of 18 students will be honored for outstanding service to the student body. The awards will be announced at the end of the address by Dr. Judyson Ward. The theme of the address will be "The Services of Higher Education: A Suggestion for the Future." The program will conclude with a musical number by the glee club.

THE TECHNIQUE, ATLANTA, GEORGIA

Editor, The Technique:

I am greatly tempted by the slick promotion letter which some astute Yankee bankster slipped into the letters column of the April 17 Technique. It begins, “We have at Angostura have become intrigued . . .” with the practices of the college men in New York of putting a shot of Angostura Wupperman bitters in their beer. It implied that the stockholders of the corporation would be still further intrigued if The Technique would give the practice some publicity in its pages. I was curious enough to find out what effect bitters, Angostura or otherwise, would have on beer, and made a very interesting chemical literature search for pertinent data. Half-way through Beilstein I ran across an intriguing paragraph which translated from German described the thirty-first century American college practice of the thirties of swallowing golden, and the resulting effects on the chemistry of the stomach, etc.

Now by a strange coincidence I am associated with my great-grandfather in The New Jersey Goldfish Corporation, a large and growing concern of goldfish hatcheries. They are even considering expanding into the silverfish game, but that is out of my field. While, under separate cover we are considering sending you and ten thousand other college editors samples of our product, we grow goldfish in these three sizes: small, medium and large, for small, medium and large college. Give us a word of publicity, huh? Our stockholders will also be greatly intrigued.

Very truly yours,
Murray Spitzer.
Third for Billy Queen. The sprints featured first at twelve feet four inches with Buddy Fowlkes again trying the high jump and tied for first, and Travis Green tied for first in the broad jump. Tech's "Gatlin" Lanning came across first in the 440 with Johnny Flowers a close second.

Sports Briefs

The finals of the intramural swimming meet with be held Fri. May 11, at 8:00 p.m. in the Tech Pool. Qualifying trials were held last Thursday afternoon.

For the first time since before the war, a freshman baseball team will open. Bob McCoy and Bob Lusk led the Jackets' attack with three hits, and Bob McCoy and Bob Lusk led the attack with three hits.

The Bruins' brilliant seven-game win streak came to an abrupt conclusion last Thursday at the hands of Florida. The abbreviated affair was called at the end of five matches to allow the Greensville to catch a train north. It wasn't any too soon for Coach Bortels' men who were trailing 5-8 at the moment.

As if that weren't enough for one week, Duke came to town Saturday and they weren't satisfied until they had gained a 9-4 triumph. Collier and Adams got Tech off to a fast start by taking the first two matches. The going wasn't so easy from then on. Johnson won the number six singles and Collier and Owens teamed up to win the number two doubles for the other points for Tech.

Netmen Away; SEC Tourney This Week-End

The SEC netmen will get a change of scenery this weekend when they journey to New Orleans for the conference tournament on Thursday, Friday, and Saturday.

The Engineers' brilliant seven-game win streak came to an abrupt conclusion last Thursday at the hands of Tulane. Techmen Split With Cats; Meet Bulldogs on Friday

Second Place Jackets Risk 8-4 Record In Week-End Tilt With Athens Nine

After splitting a pair of games with Kentucky last weekend at Lexington, the Jackets have returned to the flaps to prepare for a Bulldog invasion next Friday. The Athens aggregation will be here for one game Friday afternoon, and Tech will make the trip to Athens on one Saturday.

The Bulldogs have been running in hard form for this season, and they have the none too favorable showing of seven games lost against five. For this season, the Red and Black has done no better than to split even with any team they've met. They tripped Tennessee in two out of their four game series, and took each from Kentucky, Vanderbilt, and Auburn, against one loss apiece in Vandy and Kentucky, and two to the Plainsmen. On the other side of the ledger, Tech is in second place in the eastern division of the SEC, sporting a record of eight wins against four defeats.
