### Project Objectives, Status, Progress

#### PROJECT GOAL:
To conduct several Train-The-Trainer workshops in the area of highway safety. Participants at these workshops will conduct similar sessions in their jurisdictions.

#### OBJECTIVES:
- Arrange for the presentation of three highway safety workshops, each to be held in Maryland, Arizona, and Georgia.
- Print training materials for all presentations.
- Process training grants for workshop participants.

#### STATUS:
The training materials have been printed and three presentations of the first workshop, "Highway Safety Features for Local Roads and Streets", have been conducted. Approximately, 80 participants have attended the workshops in Arizona, Maryland, and Georgia. Training Grants for Arizona and Georgia participants have been approved by this office, FHWA, and GDOT. GDOT has issued payment of grants to those participants.

FUTURE PLANS: The remaining six workshops are to be held before the end of 1986 with two workshops planned for Georgia in November, 1986.
