The brothers of the Alpha Rho Chapter of Phi Kappa Tau would like to dedicate our pages in the Blueprint to our brother, D. Vaughn Gainous, who lost his life last summer. Through this loss, we have felt a strong sense of brotherhood which has enabled all of us in making our chapter continually stronger. We feel that the past year has been successful due to our rush, alumni functions, social events, and a strong interest in campus activities.

Phi Kappa Theta

Gamma Tau Chapter of Phi Kappa Theta had a great year in sports this past year. We were first in our league in softball, soccer, and basketball. We were second in our league in football. We hosted the National Convention of our fraternity this past summer in Atlanta. The year also saw a great deal of house improvements done by the brothers themselves.

Phi Sigma Kappa

So what if we at Phi Sigma Kappa aren't a beer drinking or partying fraternity. So what if we voted our housemother to be our Moonlight Girl. So what if we consistently choke in the playoffs. We're just a bunch of guys looking to better ourselves, the Phi Sigma Kappa is doing its part to help us along.

The Iota Chapter of Pi Kappa Phi had a very successful winter quarter starting with a strong rush. The Pi Kapp Dixieland Band made its debut at Cabaret night, and a Little Sister Chapter was founded to start a new tradition. We are looking forward to a successful spring quarter and a promising new school year.

Pi Kappa Phi
Sigma Chi

We had another great year exemplifying that “Sig Spirit.” This year was a winning season for our sports activities. To complement the good athletic record, our homecoming display took third place last fall. We also recorded a super Derby Day in our scrapbook. Unity and brotherhood were felt by all as this year passed.

Sigma Phi Epsilon

The Georgia Alpha Chapter of Sigma Phi Epsilon has once again shown its scholastic prowess, having the highest scholastic average the last year. Again we won the fraternity bowling championship, the third year in a row, while making a good showing in the other intramurals. Our membership is 59 for the year.

Progress and achievement — a good description of the activities of the Beta Pi chapter of TKE in 1974. From the dedication of the first phase of the TEKE village in the fall, to another successful Springfest, the TEKES enjoyed another fine year on the Tech campus. Homecoming marked the winning of the grand prize for display while the TEKE Wreck placed third. Winter was highlighted by the Semi-Formal which had as guests the Grand Officers of TKE. The annual beach trip saw the TEKES heading for the sands of Panama City Beach. With a strong gain of outstanding new members, Beta Pi of TKE will remain as one of the leading fraternities in 1975.
The Alpha Nu Chapter of Theta Chi Fraternity this year had a pledge retreat to North Georgia with Dean Jerry Gallup, the annual Carnation Crawl, and a trip to Panama City. We had a successful rush with 22 pledges fall and three more winter.

Zeta Beta Tau

ZBT initiated 12 new brothers this year. The Trivia Bowl Team won the school championship for the second year in a row. We finished first in our football league and second in our league's basketball and volleyball competition. Our new mascot is Toker.

Sororities at Georgia Tech are governed by the Panhellenic Council. This organization, which is analogous to the Interfraternity Council, establishes policy for Tech sororities and acts as a representative voice for these groups in campus affairs.

Members of the council come from all three recognized sororities, Alpha Gamma Delta, Alpha Xi Delta, and the newly formed Alpha Chi Omega.

The Panhellenic Council actively participates in rush by creating guidelines for rush programs. The council also works closely with the I.F.C. to promote Greek Life at Georgia Tech.
