The Guthman Musical Instrument Competition this year returns with a two-day event featuring preliminary and final performances, judges panel discussion and open house showcase of new projects at the Georgia Tech Center for Music Technology.
Operations as the lead design team of the Beltline. Read more >>

**Rick Standard**, AIA, LEED AP, ISHC (BSArch 1977; M Arch 1979) has been appointed vice president and Director of Hospitality at KPS. His extensive experience in both hospitality and entertainment projects adds a key specialty to the firm’s current business lines.

**T. Andrew “Andy” Cooper** (BSBC 81) of Albany, Ga., has been appointed by Georgia Gov. Sonny Perdue to the state licensing board for residential and general contractors as a residential contractor representative. President and owner of Gary Cooper & Sons, Inc., he is a member and past president of the Home Builders Association of Albany and Southwest Georgia.

**Glendon Thompson** (MSBC 2008) and his consulting firm Arcom Group, Inc., recently partnered with Youth Ensemble of Atlanta to organize a performance tour in China. The tour continues Arcom’s series of business and cultural exchange programs between Atlanta and Georgia businesses and cultural groups with their respective counterparts in China.

Recently named one of the 25 most influential in Healthcare Design, environmental psychologist and professor of architecture Craig Zimring is helping to transform military healthcare in a Department of Defense project to upgrade its hospitals and clinics.

The new Piedmont Alliance for Quality Growth aims to make the...
Southeast a major player in the global economy. The group meets in March to discuss transportation, water and energy concerns.

Notes from alumni - read warm responses from alumni who recall the 1952 sketch on the College of Architecture holiday greeting.
